The Vendor shall give written notice of the Second Tentative Closing Date to the Purchaser at least 90 days before the First Tentative Closing Date, or else the First Tentative Closing Date shall for all purposes be the Firm Closing Date.
- (d) **Firm Closing Date:** The Vendor shall set a Firm Closing Date, which can be no later than 120 days after the Second Tentative Closing Date or, if a Second Tentative Closing Date is not set, no later than 120 days after the First Tentative Closing Date. If the Vendor elects not to set a Second Tentative Closing Date, the Vendor shall give written notice of the Firm Closing Date to the Purchaser at least 90 days before the First Tentative Closing Date, or else the First Tentative Closing Date shall for all purposes be the Firm Closing Date. If the Vendor elects to set a Second Tentative Closing Date, the Vendor shall give written notice of the Firm Closing Date to the Purchaser at least 90 days before the Second Tentative Closing Date, or else the Second Tentative Closing Date shall for all purposes be the Firm Closing Date.
- (e) **Notice:** Any notice given by the Vendor under paragraphs (c) and (d) above, must set out the stipulated Critical Date, as applicable.

2. Changing the Firm Closing Date – Three Ways

- (a) The Firm Closing Date, once set or deemed to be set in accordance with section 1, can be changed only:
 - (i) by the Vendor setting a Delayed Closing Date in accordance with section 3;
 - (ii) by the mutual written agreement of the Vendor and Purchaser in accordance with section 4; or
 - (iii) as the result of an Unavoidable Delay of which proper written notice is given in accordance with section 5.
- (b) If a new Firm Closing Date is set in accordance with section 4 or 5, then the new date is the "Firm Closing Date" for all purposes in this Addendum.

3. Changing the Firm Closing Date – By Setting a Delayed Closing Date

- (a) If the Vendor cannot Close on the Firm Closing Date and sections 4 and 5 do not apply, the Vendor shall select and give written notice to the Purchaser of a Delayed Closing Date in accordance with this section, and delayed closing compensation is payable in accordance with section 7.
- (b) The Delayed Closing Date may be any Business Day after the date the Purchaser receives written notice of the Delayed Closing Date but not later than the Outside Closing Date.
- (c) The Vendor shall give written notice to the Purchaser of the Delayed Closing Date as soon as the Vendor knows that it will be unable to Close on the Firm Closing Date, and in any event at least 10 days before the Firm Closing Date, failing which delayed closing compensation is payable from the date that is 10 days before the Firm Closing Date, in accordance with paragraph 7(c). If notice of a new Delayed Closing Date is not given by the Vendor before the Firm Closing Date, then the new Delayed Closing Date shall be deemed to be the date which is 90 days after the Firm Closing Date.
- (d) After the Delayed Closing Date is set, if the Vendor cannot Close on the Delayed Closing Date, the Vendor shall select and give written notice to the Purchaser of a new Delayed Closing Date, unless the delay arises due to Unavoidable Delay under section 5 or is mutually agreed upon under section 4, in which case the requirements of those sections must be met. Paragraphs (b) and (c) above apply with respect to the setting of the new Delayed Closing Date.
- (e) Nothing in this section affects the right of the Purchaser or Vendor to terminate the Purchase Agreement on the bases set out in section 10.

4. Changing Critical Dates – By Mutual Agreement

- (a) This Addendum sets out a framework for setting, extending and/or accelerating Critical dates, which cannot be altered contractually except as set out in this section 4. Any amendment not in accordance with this section is voidable at the option of the Purchaser.
- (b) The Vendor and Purchaser may at any time, after signing the Purchase Agreement, mutually agree in writing to accelerate or extend any of the Critical Dates. Any amendment which accelerates or extends any of the Critical Dates must include the following provisions:
 - (i) the Purchaser and Vendor agree that the amendment is entirely voluntary – the Purchaser has no obligation to sign the amendment and each understands that this purchase transaction will still be valid if the Purchaser does not sign this amendment;
 - (ii) the amendment includes a revised Statement of Critical Dates which replaces the previous Statement of Critical Dates;
 - (iii) the Purchaser acknowledges that the amendment may affect delayed closing compensation payable; and

Freehold Form (Tentative Closing Date)

- (iv) if the change involves extending either the Firm Closing Date or the Delayed Closing Date, then the amending agreement shall:
- i. disclose to the Purchaser that the signing of the amendment may result in the loss of delayed closing compensation as described in section 7;
 - ii. unless there is an express waiver of compensation, describe in reasonable detail the cash amount, goods, services, or other consideration which the Purchaser accepts as compensation; and
 - iii. contain a statement by the Purchaser that the Purchaser waives compensation or accepts the compensation referred to in clause ii above, in either case, in full satisfaction of any delayed closing compensation payable by the Vendor for the period up to the new Firm Closing Date or Delayed Closing Date.

If the Purchaser for his or her own purposes requests a change of the Firm Closing Date or the Delayed Closing Date, then subparagraphs (b)(i), (iii) and (iv) above shall not apply.

- (c) A Vendor is permitted to include a provision in the Purchase Agreement allowing the Vendor a one-time unilateral right to extend a Firm Closing Date or Delayed Closing Date, as the case may be, for one (1) Business Day to avoid the necessity of tender where a Purchaser is not ready to complete the transaction on the Firm Closing Date or Delayed Closing Date, as the case may be. Delayed closing compensation will not be payable for such period and the Vendor may not impose any penalty or interest charge upon the Purchaser with respect to such extension.
- (d) The Vendor and Purchaser may agree in the Purchase Agreement to any unilateral extension or acceleration rights that are for the benefit of the Purchaser.

5. Extending Dates – Due to Unavoidable Delay

- (a) If Unavoidable Delay occurs, the Vendor may extend Critical Dates by no more than the length of the Unavoidable Delay Period, without the approval of the Purchaser and without the requirement to pay delayed closing compensation in connection with the Unavoidable Delay, provided the requirements of this section are met.
- (b) If the Vendor wishes to extend Critical Dates on account of Unavoidable Delay, the Vendor shall provide written notice to the Purchaser setting out a brief description of the Unavoidable Delay, and an estimate of the duration of the delay. Once the Vendor knows or ought reasonably to know that an Unavoidable Delay has commenced, the Vendor shall provide written notice to the Purchaser by the earlier of: 20 days thereafter; and the next Critical Date.
- (c) As soon as reasonably possible, and no later than 20 days after the Vendor knows or ought reasonably to know that an Unavoidable Delay has concluded, the Vendor shall provide written notice to the Purchaser setting out a brief description of the Unavoidable Delay, identifying the date of its conclusion, and setting new Critical Dates. The new Critical Dates are calculated by adding to the then next Critical Date the number of days of the Unavoidable Delay Period (the other Critical Dates changing accordingly), provided that the Firm Closing Date or Delayed Closing Date, as the case may be, must be at least 10 days after the day of giving notice unless the parties agree otherwise. Either the Vendor or the Purchaser may request in writing an earlier Firm Closing Date or Delayed Closing Date, and the other party's consent to the earlier date shall not be unreasonably withheld.
- (d) If the Vendor fails to give written notice of the conclusion of the Unavoidable Delay in the manner required by paragraph (c) above, then the notice is ineffective, the existing Critical Dates are unchanged, and any delayed closing compensation payable under section 7 is payable from the existing Firm Closing Date.
- (e) Any notice setting new Critical Dates given by the Vendor under this section shall include an updated revised Statement of Critical Dates.

EARLY TERMINATION CONDITIONS

6. Early Termination Conditions

- (a) The Vendor and Purchaser may include conditions in the Purchase Agreement that, if not satisfied, give rise to early termination of the Purchase Agreement, but only in the limited way described in this section.
- (b) The Vendor is not permitted to include any conditions in the Purchase Agreement other than: the types of Early Termination Conditions listed in Schedule A; and/or the conditions referred to in paragraphs (j), (k) and (l) below. Any other condition included in a Purchase Agreement for the benefit of the Vendor that is not expressly permitted under Schedule A or paragraphs (j), (k) and (l) below is deemed null and void and is not enforceable by the Vendor, but does not affect the validity of the balance of the Purchase Agreement.
- (c) The Vendor confirms that this Purchase Agreement is subject to Early Termination Conditions that, if not satisfied (or waived, if applicable), may result in the termination of the Purchase Agreement. ○ Yes ☒ No
- (d) If the answer in (c) above is "Yes", then the Early Termination Conditions are as follows. The obligation of each of the Purchaser and Vendor to complete this purchase and sale transaction is subject to satisfaction (or waiver, if applicable) of the following conditions and any such conditions set out in an appendix headed "Early Termination Conditions":

Freehold Form
(Tentative Closing Date)

Condition #1 (if applicable)

Description of the Early Termination Condition:

The Approving Authority (as that term is defined in Schedule A) is: _____

The date by which Condition #1 is to be satisfied is the _____ day of _____, 20 _____.

Condition #2 (if applicable)

Description of the Early Termination Condition:

The Approving Authority (as that term is defined in Schedule A) is: _____

The date by which Condition #2 is to be satisfied is the _____ day of _____, 20 _____.

The date for satisfaction of any Early Termination Condition may be changed by mutual agreement provided in all cases it is set at least 90 days before the First Tentative Closing Date, and will be deemed to be 90 days before the First Tentative Closing Date if no date is specified or if the date specified is later than 90 days before the First Tentative Closing Date. This time limitation does not apply to the condition in subparagraph 1(b)(iv) of Schedule A which must be satisfied or waived by the Vendor within 60 days following the later of: (A) the signing of the Purchase Agreement; and (B) the satisfaction or waiver by the Purchaser of a Purchaser financing condition permitted under paragraph (l) below.

Note: The parties must add additional pages as an appendix to this Addendum if there are additional Early Termination Conditions.

- (e) There are no Early Termination Conditions applicable to this Purchase Agreement other than those identified in subparagraph (d) above and any appendix listing additional Early Termination Conditions.
- (f) The Vendor agrees to take all commercially reasonable steps within its power to satisfy the Early Termination Conditions identified in subparagraph (d) above.
- (g) For conditions under paragraph 1(a) of Schedule A the following applies:
 - (i) conditions in paragraph 1(a) of Schedule A may not be waived by either party;
 - (ii) the Vendor shall provide written notice not later than five (5) Business Days after the date specified for satisfaction of a condition that: (A) the condition has been satisfied; or (B) the condition has not been satisfied (together with reasonable details and backup materials) and that as a result the Purchase Agreement is terminated; and
 - (iii) if notice is not provided as required by subparagraph (ii) above then the condition is deemed not satisfied and the Purchase Agreement is terminated.
- (h) For conditions under paragraph 1(b) of Schedule A the following applies:
 - (i) conditions in paragraph 1(b) of Schedule A may be waived by the Vendor;
 - (ii) the Vendor shall provide written notice on or before the date specified for satisfaction of the condition that: (A) the condition has been satisfied or waived; or (B) the condition has not been satisfied nor waived, and that as a result the Purchase Agreement is terminated; and
 - (iii) if notice is not provided as required by subparagraph (ii) above then the condition is deemed satisfied or waived and the Purchase Agreement will continue to be binding on both parties.
- (i) If a Purchase Agreement or proposed Purchase Agreement contains Early Termination Conditions, the Purchaser has three (3) Business Days after the day of receipt of a true and complete copy of the Purchase Agreement or proposed Purchase Agreement to review the nature of the conditions (preferably with legal counsel). If the Purchaser is not satisfied, in the Purchaser's sole discretion, with the Early Termination Conditions, the Purchaser may revoke the Purchaser's offer as set out in the proposed Purchase Agreement, or terminate the Purchase Agreement, as the case may be, by giving written notice to the Vendor within those three Business Days.
- (j) The Purchase Agreement may be conditional until Closing (transfer to the Purchaser of title to the home), upon compliance with the subdivision control provisions (section 50) of the *Planning Act*, which compliance shall be obtained by the Vendor at its sole expense, on or before Closing.
- (k) The Purchaser is cautioned that there may be other conditions in the Purchase Agreement that allow the Vendor to terminate the Purchase Agreement due to the fault of the Purchaser.
- (l) The Purchase Agreement may include any condition that is for the sole benefit of the Purchaser and that is agreed to by the Vendor (e.g., the sale of an existing dwelling, Purchaser financing or a basement walkout). The Purchase Agreement may specify that the Purchaser has a right to terminate the Purchase Agreement if any such condition is not met, and may set out the terms on which termination by the Purchaser may be effected.

MAKING A COMPENSATION CLAIM

7. Delayed Closing Compensation

- (a) The Vendor warrants to the Purchaser that, if Closing is delayed beyond the Firm Closing Date (other than by mutual agreement or as a result of Unavoidable Delay as permitted under sections 4 and 5), then the Vendor shall compensate the Purchaser up to a total amount of \$7,500, which amount includes: (i) payment to the Purchaser of a set amount of \$150 a day for living expenses for each day of delay until the date of Closing; or the date of termination of the Purchase Agreement, as applicable under paragraph (b) below; and (ii) any other expenses (supported by receipts) incurred by the Purchaser due to the delay.
- (b) Delayed closing compensation is payable only if: (i) Closing occurs; or (ii) the Purchase Agreement is terminated or deemed to have been terminated under paragraph 10(b) of this Addendum. Delayed closing compensation is payable only if the Purchaser's claim is made to Tarion in writing within one (1) year after Closing, or after termination of the Purchase Agreement, as the case may be, and otherwise in accordance with this Addendum. Compensation claims are subject to any further conditions set out in the ONHWP Act.
- (c) If the Vendor gives written notice of a Delayed Closing Date to the Purchaser less than 10 days before the Firm Closing Date, contrary to the requirements of paragraph 3(c), then delayed closing compensation is payable from the date that is 10 days before the Firm Closing Date.
- (d) Living expenses are direct living costs such as for accommodation and meals. Receipts are not required in support of a claim for living expenses, as a set daily amount of \$150 per day is payable. The Purchaser must provide receipts in support of any claim for other delayed closing compensation, such as for moving and storage costs. Submission of false receipts disentitles the Purchaser to any delayed closing compensation in connection with a claim.
- (e) If delayed closing compensation is payable, the Purchaser may make a claim to the Vendor for that compensation after Closing or after termination of the Purchase Agreement, as the case may be, and shall include all receipts (apart from living expenses) which evidence any part of the Purchaser's claim. The Vendor shall assess the Purchaser's claim by determining the amount of delayed closing compensation payable based on the rules set out in section 7 and the receipts provided by the Purchaser, and the Vendor shall promptly provide that assessment information to the Purchaser. The Purchaser and the Vendor shall use reasonable efforts to settle the claim and when the claim is settled, the Vendor shall prepare an acknowledgement signed by both parties which:
 - (i) includes the Vendor's assessment of the delayed closing compensation payable;
 - (ii) describes in reasonable detail the cash amount, goods, services, or other consideration which the Purchaser accepts as compensation (the "Compensation"), if any; and
 - (iii) contains a statement by the Purchaser that the Purchaser accepts the Compensation in full satisfaction of any delay compensation payable by the Vendor.
- (f) If the Vendor and Purchaser cannot agree as contemplated in paragraph 7(e), then to make a claim to Tarion the Purchaser must file a claim with Tarion in writing within one (1) year after Closing. A claim may also be made and the same rules apply if the sale transaction is terminated under paragraph 10(b), in which case, the deadline for a claim is one (1) year after termination.

8. Adjustments to Purchase Price

Only the items set out in Schedule B (or an amendment to Schedule B), shall be the subject of adjustment or change to the purchase price or the balance due on Closing. The Vendor agrees that it shall not charge as an adjustment or readjustment to the purchase price of the home, any reimbursement for a sum paid or payable by the Vendor to a third party unless the sum is ultimately paid to the third party either before or after Closing. If the Vendor charges an amount in contravention of the preceding sentence, the Vendor shall forthwith readjust with the Purchaser. This section shall not: restrict or prohibit payments for items disclosed in Part I of Schedule B which have a fixed fee; nor shall it restrict or prohibit the parties from agreeing on how to allocate as between them, any rebates, refunds or incentives provided by the federal government, a provincial or municipal government or an agency of any such government, before or after Closing.

MISCELLANEOUS

9. Ontario Building Code – Conditions of Closing

- (a) On or before Closing, the Vendor shall deliver to the Purchaser:
 - (i) an Occupancy Permit (as defined in paragraph (d)) for the home; or
 - (ii) if an Occupancy Permit is not required under the Building Code, a signed written confirmation by the Vendor that all conditions of occupancy under the Building Code have been fulfilled and occupancy is permitted under the Building Code.
- (b) Notwithstanding the requirements of paragraph (a), to the extent that the Purchaser and the Vendor agree that the Purchaser shall be responsible for one or more prerequisites to obtaining permission for occupancy under the Building Code, (the "Purchaser Occupancy Obligations"):

Freehold Form (Tentative Closing Date)

- (i) the Purchaser shall not be entitled to delayed closing compensation if the reason for the delay is that the Purchaser Occupancy Obligations have not been completed;
 - (ii) the Vendor shall deliver to the Purchaser, upon fulfilling all prerequisites to obtaining permission for occupancy under the Building Code (other than the Purchaser Occupancy Obligations), a signed written confirmation that the Vendor has fulfilled such prerequisites; and
 - (iii) if the Purchaser and Vendor have agreed that such prerequisites (other than the Purchaser Occupancy Obligations) are to be fulfilled prior to Closing, then the Vendor shall provide the signed written confirmation required by subparagraph (ii) on or before the date of Closing.
- (c) If the Vendor cannot satisfy the requirements of paragraph (a) or subparagraph (b)(ii), the Vendor shall set a Delayed Closing Date (or new Delayed Closing Date) on a date that the Vendor reasonably expects to have satisfied the requirements of paragraph (a) or subparagraph (b)(ii), as the case may be. In setting the Delayed Closing Date (or new Delayed Closing Date), the Vendor shall comply with the requirements of section 3, and delayed closing compensation shall be payable in accordance with section 7. Despite the foregoing, delayed closing compensation shall not be payable for a delay under this paragraph (c) if the inability to satisfy the requirements of subparagraph (b)(ii) above is because the Purchaser has failed to satisfy the Purchaser Occupancy Obligations.
- (d) For the purposes of this section, an "Occupancy Permit" means any written or electronic document, however styled, whether final, provisional or temporary, provided by the chief building official (as defined in the *Building Code Act*) or a person designated by the chief building official, that evidences that permission to occupy the home under the Building Code has been granted.

10. Termination of the Purchase Agreement

- (a) The Vendor and the Purchaser may terminate the Purchase Agreement by mutual written agreement. Such written mutual agreement may specify how monies paid by the Purchaser, including deposit(s) and monies for upgrades and extras are to be allocated if not repaid in full.
- (b) If for any reason (other than breach of contract by the Purchaser) Closing has not occurred by the Outside Closing Date, then the Purchaser has 30 days to terminate the Purchase Agreement by written notice to the Vendor. If the Purchaser does not provide written notice of termination within such 30-day period then the Purchase Agreement shall continue to be binding on both parties and the Delayed Closing Date shall be the date set under paragraph 3(c), regardless of whether such date is beyond the Outside Closing Date.
- (c) If: calendar dates for the applicable Critical Dates are not inserted in the Statement of Critical Dates; or if any date for Closing is expressed in the Purchase Agreement or in any other document to be subject to change depending upon the happening of an event (other than as permitted in this Addendum), then the Purchaser may terminate the Purchase Agreement by written notice to the Vendor.
- (d) The Purchase Agreement may be terminated in accordance with the provisions of section 6.
- (e) Nothing in this Addendum derogates from any right of termination that either the Purchaser or the Vendor may have at law or in equity on the basis of, for example, frustration of contract or fundamental breach of contract.
- (f) Except as permitted in this section, the Purchase Agreement may not be terminated by reason of the Vendor's delay in Closing alone.

11. Refund of Monies Paid on Termination

- (a) If the Purchase Agreement is terminated (other than as a result of breach of contract by the Purchaser), then unless there is agreement to the contrary under paragraph 10(a), the Vendor shall refund all monies paid by the Purchaser including deposit(s) and monies for upgrades and extras, within 10 days of such termination, with interest from the date each amount was paid to the Vendor to the date of refund to the Purchaser. The Purchaser cannot be compelled by the Vendor to execute a release of the Vendor as a prerequisite to obtaining the refund of monies payable as a result of termination of the Purchase Agreement under this paragraph, although the Purchaser may be required to sign a written acknowledgement confirming the amount of monies refunded and termination of the purchase transaction. Nothing in this Addendum prevents the Vendor and Purchaser from entering into such other termination agreement and/or release as may be agreed to by the parties.
- (b) The rate of interest payable on the Purchaser's monies is 2% less than the minimum rate at which the Bank of Canada makes short-term advances to members of Canada Payments Association, as of the date of termination of the Purchase Agreement.
- (c) Notwithstanding paragraphs (a) and (b) above, if either party initiates legal proceedings to contest termination of the Purchase Agreement or the refund of monies paid by the Purchaser, and obtains a legal determination, such amounts and interest shall be payable as determined in those proceedings.

Warranty Information for New Freehold Homes

This information sheet provides a basic overview of the warranties and protections that come with your new home. This warranty is provided to you by your builder and backed by Tarion. For more detailed Information visit tarion.com and log into our online learning hub at www.tarion.com/learning hub

The Pre-Delivery Inspection (PDI)

Before you take possession of your new home, your builder is required to conduct a pre-delivery inspection (PDI) with you or someone you designate to act on your behalf. If you wish, you may be accompanied by someone who can provide expert assistance. The PDI is important because it is an opportunity to learn about how to operate and maintain parts of your home, such as the ventilation, plumbing, and heating systems. It is also important because it gives you an opportunity to note items in your home that are damaged, missing, incomplete, or not working properly before you take possession of your home. This record is also significant as it may help show what items may have been damaged before you moved in and helps resolve any disputes relating to whether or not an item of damage was caused by the use of the home.

The PDI is only one piece of evidence relating to damaged or incomplete Items, and you should note and document (e.g. via photos or video) any concerns or damaged items as soon as you notice them after taking possession if they were missed on your PDI. If the damaged items are not addressed by your builder, you can include them in your 30-Day Form to Tarion. Damaged items are covered under the warranty if the damage was caused by the builder or their trades. There is more information about the PDI here: www.tarion.com/learninghub

Deposit Protection

The deposit you provide to your builder is protected up to certain limits if your builder goes bankrupt, fundamentally breaches your Agreement of Purchase and Sale or you exercise your legal right to terminate it. Deposit coverage limits are \$60,000 if the purchase price is \$600,000 or less and 10% of purchase price to a maximum of \$100,000 if the purchase price is over \$600,000. This protection includes the money you put down towards upgrades and other extras.

Delayed Closing Coverage

Your builder guarantees that your home will be ready for you to move in by a date specified in the Agreement of Purchase and Sale or a date that has been properly extended (if for certain reasons the original closing date cannot be met). You may be able to claim up to \$7,500 from your builder in compensation if they do not meet the conditions for an allowable extension that are outlined in the Addendum to your Agreement of Purchase and Sale.

Warranty Coverage

The warranty on work and materials commences on your date of possession and provides up to a maximum of \$300,000 in coverage. There are limitations on scope and duration as follows. Your builder warrants that your home will, on delivery, have these warranties:

One-Year Warranty

- Your home is constructed in a workmanlike manner, free from defects in material, is fit for habitation and complies with Ontario’s Building Code
- Protects against the unauthorized substitution of items specified in the Agreement of Purchase and Sale or selected by you

Two-Year Warranty

- Protects against water penetration through the basement or foundation walls, windows, and the building envelope
- Covers defects in work or materials in the electrical, plumbing, and heating delivery and distribution systems
- Covers defects in work or materials that result in the detachment, displacement, or deterioration of exterior cladding (such as brick work, aluminum, or vinyl siding)
- Protects against violations of Ontario’s Building Code that affect health and safety

Seven-Year Warranty

- Protects against defects in work or materials that affect a structural load-bearing element of the home resulting in structural failure or that materially and adversely compromise the structural integrity; and/or that materially and adversely affect the use of a significant portion of the home.

Continued...

Warranty Exclusions

Your warranty, provided to you by your builder and backed by Tarion, is a limited warranty - not all deficiencies are covered. And the protection provided by Tarion is also limited. Exclusions to coverage include: normal wear and tear, damage caused by improper maintenance, damage caused by a third party, secondary damage caused by defects that are under warranty, supplementary warranties, deficiencies caused by homeowner actions, elevators, HVAC appliances, specific defects accepted in writing and damage resulting from an Act of God.

Construction Performance Guidelines

The Construction Performance Guidelines are a resource to provide advance guidance as to how Tarion may decide disputes between homeowners and builders regarding defects in work or materials. The Construction Performance Guidelines are intended to complement Ontario's Building Code. They are supplemented by any applicable guidelines or standards produced by industry associations. They do not replace manufacturer warranties. The Construction Performance Guidelines are available in several different formats accessible via cpg.tarion.com.

The Purchaser is hereby notified of the following warning and notice clauses:

1. The Purchaser is hereby notified of the warning and notice clauses contained within Schedule “W” (the “Notices”). Further, the Purchaser acknowledges that the Notices are preliminary in nature and may be altered or modified by the Vendor, governmental authorities or by applicable consultants and that new Notices may be provided to the Purchaser. The Purchaser agrees to be bound by the contents of any Notices (whether existing, altered, modified or new) and covenants to execute forthwith upon request, an acknowledgment containing such Notices if and when requested to do so by the Vendor. Without limiting the generality of the foregoing, to the extent that any Notices are provided to the Purchaser by the Vendor after this Agreement has been executed, such Notices shall be deemed to have been included in this Agreement at the time that this Agreement has been made.
2. Appended hereto is a copy of the preliminary community information map for certain lands containing the Property. Said map is in draft format and has not yet been approved by the applicable municipal authorities. Once approved, a copy of the final community information map will be delivered to the Purchaser. The Purchaser shall have no claim or cause of action whatsoever against the Vendor or its sales representatives (whether based or founded in contract, tort or in equity) with regards to any variations or changes made to the preliminary community information map in the future.

A. Purchasers of all lots are advised and acknowledge, covenant and agree that:

- 1) At the time of execution of this Agreement, the subdivision or development agreement(s) for the property has not been finalized. In the event that such agreement(s) contain requirements that certain provisions or notices be provided to purchasers in agreements of purchase and sale or otherwise that are not already provided for herein, the Vendor agrees to provide such provisions or notices to the Purchaser as soon as reasonably possible. Any such provisions or notices so provided to the Purchaser by the Vendor (by e-mail or other method of delivery as selected by the Vendor) shall automatically, and without further action required by either party hereto, form part of this Agreement. In addition, upon receipt of such notice or provisions, the Purchaser, if so requested by the Vendor, agrees to attend and execute such amendments to this Agreement as may be required incorporating such notices or provisions as part of this Agreement.
- 2) Purchasers are advised that the final mix of housing, elevations, lot width and housing types will only be confirmed upon registration of the subdivision plan, therefore, the purchaser should check with the builder to determine the final houses for construction in the immediate vicinity of the home that is being purchased.
- 3) The subdivision will be constructed in a planned sequence. Some areas will be occupied while other areas are under construction. As such, temporary inconveniences due to ongoing construction activities such as noise, dust, dirt, debris, and construction vehicle traffic may occur throughout the duration of the development of this community. The completion of some dwellings in this subdivision may be delayed until after the completion of exterior finishes on adjacent buildings.
- 4) Purchasers are advised that this community is subject to Architectural Control. Models available for sale have to be pre-approved by the Control Architect and certain models may not be available for some of the lots. Check with your builder for the particular situation for the model and lot you intend to purchase.
- 5) Purchasers are advised that each lot and block within the plan is subject to municipal property tax assessment and the owner of such lot or block shall, upon completion of assessment by the City of Pickering, receive a notice for payment of municipal property tax back to the time of registration of the lot or block.
- 6) Purchasers are advised that the Street and Lane names labelled on the attached schedules have been approved by the City of Pickering, but may be revised or renamed to the satisfaction of the City.
- 7) Purchasers are advised that the Vendor or, if applicable, the Declarant's marketing material and site drawings and renderings (“Marketing Material”) which they may have reviewed prior to the execution of this Agreement remains conceptual and that final building plans are subject to the

final review and approval of any applicable governmental authority and the Vendor or Declarant's design consultants and engineers, and accordingly such Marketing Material does not form part of this Agreement or the Vendor's obligations hereunder.

- 8) Purchasers are advised that sump pumps may be installed in each home and are installed in the most efficient location in accordance with engineering practice and cannot be relocated.
- 9) Purchasers are advised that prior to the placement of any structures in the side or rear yards, the Zoning by-law must be reviewed to determine compliance and that a Site Alteration Permit be obtained prior to proceeding to do any site work.
- 10) Purchasers are advised that despite the inclusion of noise attenuation features within the development area and within the individual building units, noise levels will continue to increase, occasionally interfering with some activities of the building's occupants.
- 11) Door-to-door mail delivery will not be provided in this subdivision. Purchasers are further advised that Canada Post may designate a community mailbox location abutting or near their properties. The community mailboxes will typically be located within the boulevard area of the road allowance, located between the sidewalk and the property line.
- 12) Prior to the construction and acceptance of the community mailbox locations, temporary mailbox locations will be utilized within the community. The location of the temporary mailboxes may not be the same location as the permanent community mailboxes.
- 13) At the time of execution of this agreement, the final grading plan for the property has not been finalized. The developer reserves the right to revise the location of any storm drainage works, including catch basins, and rear lot catch basins, providing the final location is approved by the City of Pickering.
- 14) Purchasers are advised that a consulting professional engineer is required to certify that the final grading of the lot, and the building construction thereon conform with the final grading plan, and that this certification cannot be provided until the lot has been graded and sodded, which may not occur for up to 12 months after the building occupancy inspection is provided by the Planning and Development Department.
- 15) Purchasers are advised they shall not alter or interfere with the lot grading and drainage levels and patterns as approved by the City of Pickering, nor shall the purchaser alter, fill, fence, stop up or allow to become clogged or fall into a state of disrepair, any front, rear or side yard drainage depression or swale, catch basin, infiltration gallery or other drainage channel, facility or installation, as such alteration or other action as stated above may cause a failure of the drainage system in the area. Purchasers are advised that any unauthorized alteration of the established grading and drainage patterns by the homeowner may result in negative drainage impacts to adjoining lots and will be liable for any resulting damages and costs.
- 16) As some roof leaders from the dwelling units situated within the lands may not be connected to the storm sewers, the purchaser understands and agrees that there is an obligation and responsibility on the part of the purchaser to maintain the City of Pickering's requirements with respect to final grading of the lands in accordance with the City's lot grading policy and the grading plans approved by the City of Pickering for the lands herein. Purchasers also agree that rainwater roof leaders shall not be altered.
- 17) For the purpose of properly draining the lands, the developer may be required to install a catch basin and/or associated leads in the rear and/or side yards of the lot and provide an easement in favour of the City. Such easements will be in favour of the City and will include the City of Pickering standard easement terms applicable to the catch basin and/or associated lead. It is the responsibility of the Purchaser/Owner to maintain the said storm drainage works, including catch basins and leads, in an operational state of repair and free of all obstructions and to provide access to the subject lands to the developer or the City of Pickering as required in accordance with the easement required by the City of Pickering. The easement provides the City of Pickering with rights to access to maintain/repair the catch basin if necessary. Fences and/or sheds are not to be installed over the Rear Lot Catch Basin lid as it prevents maintenance. If a rear lot catch basin or rear lot catch basin lead and/or lid becomes damaged or needs to be removed due to fence and/or shed construction by a purchaser, the cost of repairs to the catch basin, or rear lot catch basin lead shall be the responsibility of the purchaser.
- 18) The vendor shall reserve the right, notwithstanding the completion of the sale of the Lot and/or Unit, to enter upon the said Lands for a period of two (2) years after the completion of the sale or until the assumption of the services, whichever is later, in order to carry out any lot grading work which, in the opinion of the City of Pickering, may be required.
- 19) No private connection shall be made to any service or utility without written permission of the City and work provided for under this Agreement which requires approvals from any other level of Government, Ministry or Commission shall not be commenced until such approvals have

been obtained in writing.

- 20) Purchasers are advised that varying scales of telecommunication or hydro utility equipment may be located adjacent to the proposed development and may be visible from their dwelling.
- 21) Purchasers are advised that there may be above ground utilities, service boxes, hydrants, mailboxes, streetlights, hydro transformers, telecommunications, cable pedestals or other municipal services constructed adjacent to or upon boulevards in the vicinity of your dwelling.
- 22) Purchasers are advised that the power and other utility distribution system design for the subdivision has not been finally approved and, as a result, the final location of transformers and other utility boxes throughout the subdivision cannot be finalized at this time. The developer reserves the right to revise the location of any transformers or utility boxes as approved by the local utilities and the City of Pickering. The developer may be required to provide side/rear yard easements in favour of Elexicon Energy Inc.. The easement provides Elexicon Energy Inc. with rights to access to maintain/repair utilities and read meters as necessary. Fences and/or sheds or any other landscaping is not to be installed within the required easements. Any costs associated with the removal, damage or repair needs due to the installation of a fence/shed/landscaping shall be the responsibility of the purchaser
- 23) Purchasers are advised that grading of the subject or neighbouring properties may require the construction of swales, slopes, retaining walls, rear yard catch basins, fencing, or other services. Certain services are not assumed by the City of Pickering. Such services are more particularly described under the terms of the Subdivision Agreement. For more detailed information please contact the City of Pickering
- 24) Purchasers should be advised of the following conditions regarding their property line.
 - a) Private landscaping is not permitted to encroach within the City's road allowance, the Natural Heritage System, open spaces, parks, walkways, and easements. Any unauthorized encroachments are to be removed by the homeowner prior to Assumption, at the purchasers expense;
 - b) Obstructions and encroachments shall include, but not be limited to the construction, placement or maintenance of posts, fences, trees, hedges, landscaping, and concrete driveway curbs;

 - d) Purchasers are expected to maintain but not alter the municipal boulevard (the space between the sidewalk and the curb directly in front of each said lot, or the space between the curb and the property line).
- 25) Purchasers are advised that they shall not construct, widen, remove or alter any curb cut within the road allowance of a City road, or cause any such work to be done except with approval of the City of Pickering.
- 26) Underground utilities are located within the boulevard such as telephone, hydro, gas, and cable. While the purchasers are to maintain the boulevard area there shall be no construction of fences, landscaping such as planting, retaining walls, decorative walls, pillars and electrical fixtures of any kind permitted within this area.
- 27) Purchasers are advised that the Developer will be planting trees in the City boulevards in accordance with City of Pickering standards. A tree may be planted on the boulevard in front or on the side of a particular residential dwelling. The location, size, and species of tree to be planted are at the discretion of the City of Pickering and cannot be altered. Spacing will be contingent upon tree species, tree habitat availability, and street furniture structures. This means not every lot will receive a tree. Purchasers are advised that the ability to accommodate the planting of a street tree within the public road allowance will also be influenced by housing form, development setbacks, utilities, driveway width and location
- 28) Any fee paid by the purchaser to the developer for the planting of trees on City boulevards in front of residential units does not obligate the City of Pickering nor guarantee that a tree will be planted on the boulevard in front or on the side of a particular residential dwelling. Any boulevard tree planting fees paid are for the community development and are not lot specific. Further, purchasers acknowledge and agree that tree location requests will not be considered and refunds will not be issued to lots that do not receive a boulevard tree.
- 29) Purchasers are advised that all Lots will have no fewer than two (2) on-site parking spaces available, with at least one (1) of the two (2) spaces being located within the garage.
- 30) Driveway entrance widening or modifications will not be permitted. Purchasers must take note of the parking available on their own private lot and purchase homes with knowledge that additional space for additional vehicles may be limited or unavailable.

- 31) Purchasers are advised that overnight on-street parking on one side of the street may be available on the street in front of their home between April 1st and November 30th yearly, as per the City of Pickering Traffic & Parking By-Law 6604/05. The Owner is advised to review the approved plan to determine which side of the street will accommodate on-street parking. Vehicles may be parked overnight on the street when a valid parking permit has been served for that vehicle. A permit does not entitle any homeowner to a particular space, nor does it entitle the vehicle to a space on the street, should all spaces be occupied by permit or otherwise.
- 32) Purchasers are advised the Developer shall sod the front, side and rear yards of each of the residential lots and blocks in the project except for paved, planted or treed areas within the six months immediately following the occupancy of the dwelling unit except, where the occupancy of the dwelling unit occurs in November or December of any year, the time limit for sodding may be extended to June 30 in the following year.
- 33) Purchasers are advised that driveways shall not be paved until the dwelling has been occupied for a minimum of one winter season. For closing occurring during any calendar year, the driveway shall be paved between May 1 and October 15 of the following year.
- 34) Sidewalk locations have not been finalized and may change at the discretion of the City. Sidewalks may be installed on one side, both sides, or neither side of Right of Ways. Purchasers will not object to the construction of the sidewalk.
- 35) Public parklands and trails may not be fully developed at the time of occupancy. The timing of parkland and trails development and the programming of parkland are at the discretion of the City.
- 36) Purchasers are advised that the City of Pickering requires the Developer to cover costs associated with the rejuvenation of the Natural Heritage System, owned by the Province of Ontario, immediately abutting the subdivision as per approved plans by the City of Pickering. The purchaser agrees that they will not undertake any activity that could interfere with this activity.
- 37) Purchasers are advised that parks, open space, and walkways, in whole or in part, may be vegetated to create a naturalized setting. The City of Pickering will not carry out routine maintenance such as grass and weed cutting in these areas. Purchasers are advised that dumping of yard waste, other household materials, and garbage within public park blocks, open spaces, and walkways is strictly prohibited.
- 38) Purchasers of lots near a Park are advised that these open spaces will be used for several active and passive public recreation and leisure uses, including, but not limited to walkways, bike paths, playgrounds, trails, sports fields (lit or unlit), splash pad, and/or visitor parking. The park may be used on evenings and on weekends.
- 39) Purchasers and/or tenants are advised that, during peak periods, park visitors may park on the street in front of their home. Street parking along municipal roads can be made available for the public and is not reserved for use by the property owner. Additional pedestrian traffic may also be present during peak periods. The City of Pickering, and the developer will not be responsible for any inconvenience or nuisance which may present itself as a result of the use of the future Parkland Area.
- 40) Purchasers are advised that the lands north and west as well as areas within the site are designated Natural Heritage System areas. These areas will be conserved and naturalized, with portions being used for a public trail system. These lands are to remain as much, as possible, in their natural state and may receive minimal maintenance. - 42) Site drainage will be directed and treated within an engineered storm water management (SWM) facility, which will be developed as a storm water management pond. Minimal maintenance such as a periodic removal of paper, debris and a clean out of sediments will occur in accordance with City standards.
- 43) Stormwater Management facility are intended to be naturalized / kept in a natural state. As such, the SWM Pond Block may not receive routine maintenance such as grass and weed

cutting.

- 44) Purchasers are advised that the storm water management pond will contain a permanent pool of water. The pond is subject to fluctuating water levels due to rain events and is not to be used for recreational purposes or dumping. As part of future phases of development, the storm water management pond may be expanded to accommodate increased flows. The design and updated footprint of the pond is subject to the review and approval by the City of Pickering and will be governed by the storm water demand from future phases. Timing of this expansion is at the discretion of the City.
- 45) The City, or their delegate, reserve the right to install a public trail connection within the SWM Pond Block. Purchasers and/or tenants are advised that dumping of yard waste or other household materials in these areas is prohibited.

- (e) The Purchaser acknowledges and agrees that in the event the Dwelling being purchased herein is a semi-detached or townhouse dwelling unit, the lot or block upon which such dwelling unit is constructed will not necessarily be divided equally but may instead be divided in unequal proportions. The Purchaser agrees to accept any such unequal division of such lot or block without any abatement of the Purchase Price or claim for compensation whatsoever.
- (f) Subdivision esthetic enhancements such as boulevard treatments, landscaping (including tree planting), entrance features, or corner lot fencing, or fences or retaining walls may be erected/placed/installed within the Subdivision in accordance with municipally approved plans. Such subdivision esthetic enhancements may not necessarily apply to/benefit all dwellings within the Subdivision. The erection/placement/installation and/or spacing of subdivision esthetic enhancements such as municipal trees and/or privacy fencing may be sporadic in accordance with municipally approved plans and the overall design objectives of the Municipality/Subdivider. Purchasers who do not receive/benefit from any subdivision esthetic enhancements such as a municipal tree or privacy

fencing are not entitled to any refund/abatement of any sums payable to the Vendor hereunder. In the event this Agreement, any schedule hereto or other matter obligates the Vendor to install or provide any of the features set out herein, such matters will be provided and installed at the times determined by the Vendor and shall not comprise outstanding deficiencies or matters with respect to the completion of the Dwelling, and the Purchaser specifically acknowledges, covenants and agrees that any such features shall be installed at the times determined by the Vendor in its sole and absolute discretion.

3. **CONSTRUCTION**

- (a) The Vendor will construct (if not already constructed) and complete upon the Property a dwelling (the "**Dwelling**") of the type hereinbefore indicated in accordance with the plans of the Vendor therefore and filed or to be filed with the Municipality and the specifications set out in Schedule "E" annexed hereto. The Dwelling shall be deemed to be completed for the purposes of Closing when the requirements of the Tarion Addendum and Statement of Critical Dates have been met and the Purchaser agrees in such case to close this transaction, without holdback of any part of the Purchase Price, on the Vendor's undertaking given pursuant to section headed "COMPLETION AND ONTARIO NEW HOME WARRANTIES INSPECTION" hereof to complete the Dwelling, and the Purchaser hereby agrees to accept the Vendor's covenant of indemnity regarding lien claims which are the responsibility of the Vendor, its trades and/or suppliers, in full satisfaction of the Purchaser's rights under the Construction Lien Act, and will not claim any lien holdback on Closing. If by reason of "Unavoidable Delay" as defined in or as otherwise permitted by the Tarion Addendum and Statement of Critical Dates the Vendor is required to extend the Closing, the Vendor shall be entitled to extend the Closing provided the Vendor complies with the provisions of the Tarion Addendum and Statement of Critical Dates in respect of such extensions. The Purchaser agrees to complete this transaction notwithstanding any claims submitted to the Vendor and/or Tarion or otherwise in respect of apparent deficiencies or incomplete work.
- (b) Acceptance of construction, siting and grading by the Municipality shall conclusively constitute acceptance by the Purchaser. The Vendor shall have the right to substitute materials for those designated in the plans and/or specifications provided the quality is equal or better, and also to make minor changes in plans, siting and specifications, provided there is no objection from the Municipality.
- (c) The Purchaser acknowledges and agrees that architectural control of external elevations, driveway construction, boulevard tree planting, landscaping, acoustical barriers, corner lot fencing (including the location of such acoustical barriers and corner lot fencing), exterior colour schemes, corner lot and rear lot treatments, or any other matter external to the Dwelling designed to enhance the aesthetics of the community as a whole, may be imposed by the Municipality and/or the Subdivider. In the event the Vendor is required, in compliance with such architectural control requirements, to construct an external elevation for this Dwelling other than as specified in this Agreement, or amend the driveway construction, boulevard tree planting or landscaping plan for this Dwelling (all of which is hereinafter referred to as the "**Amended Elevation**"), the Purchaser hereby irrevocably authorizes the Vendor to complete the Dwelling herein including the required Amended Elevation, and the Purchaser hereby irrevocably agrees to accept such Amended Elevation in lieu of the elevation specified in this Agreement. The Vendor shall have the right, in its sole discretion, to construct the hereinbefore described Dwelling either as shown on the sales brochures, renderings and other plans and specifications approved by the Municipality or any other authority having jurisdiction over same, or, to construct such Dwelling on a reverse mirror image plan, including reversal of garage siting and reversal of interior floor plan layout. Construction of a reverse mirror image Dwelling plan is hereby irrevocably accepted by the Purchaser without any right of abatement of Purchase Price and in full satisfaction of the Vendor's obligations as to construction of the Dwelling type hereinbefore described. Further, in the event the Vendor constructs the Dwelling at a grade level different than as depicted in the plans or drawings attached hereto, sales brochures, renderings or any other plans and specifications whether or not approved by the Municipality or any other authority having jurisdiction over same, necessitating a step, landing or series of steps to the front door, side door, rear door, any door from any garage that is connected to the Dwelling and leading to the interior of the Dwelling (notwithstanding that such step,

landing or series of steps may encroach into the garage parking area and/or affect the interior floor area of the Dwelling adjacent to such step, landing or series of steps), or to relocate and/or remove any side door, rear door or door from the garage that is connected to the Dwelling and leading to the interior of the Dwelling, the Purchaser hereby irrevocably agrees to accept such changes without any right of abatement of Purchase Price and in full satisfaction of the Vendor's obligation as to construction of the Dwelling type hereinbefore described.

- (d) The Purchaser hereby acknowledges that complete engineering data in respect of the Municipally approved final grading of the Property may not, as yet, be complete and accordingly, it may not be possible to construct a Dwelling with a walk-out basement, look-out or rear deck where so indicated in this Agreement, or vice versa. In the event this Agreement calls for a walk-out basement, look-out or rear deck and such is not possible or reasonable in the Vendor's opinion, the Purchaser shall accept a credit in the Purchase Price (such costs shall be absolutely determined by the Vendor).
- (e) The Purchaser acknowledges that certain lots within the subdivision may, at the Vendor's sole, absolute and unfettered discretion, require catch basins in the rear yard and associated leads, drainage systems, weeping pipe/sump pump systems, retaining walls, fencing, landscaping and other subdivision enhancement features, and the Purchaser covenants and agrees that in the event the Property contains any of the foregoing items, after Closing, the Purchaser shall maintain all such items in proper working condition. Additionally the Purchaser is advised that electricity transformers, street light poles, hydrants and other utility infrastructure will front onto or be located within certain lots (including the Property) within the Subdivision. The Purchaser agrees to accept the Property subject to any catch basins and associated leads, drainage systems, weeping pipe/sump pump systems, retaining walls, fencing, landscaping and other subdivision enhancement features, and that electricity transformers, street light poles and hydrants required pursuant to the municipally approved plans.
- (f) In the event the Purchaser completes this transaction and occupies the Dwelling at a time prior to the Vendor completing all of its work or construction within the Subdivision, the Purchaser covenants and agrees to permit the Vendor and its agents and subtrades to enter upon the Property for the purposes of completing work on the Property, an adjoining property or other properties in the Subdivision and the Purchaser shall not interfere with any work or construction being so performed by the Vendor, the Subdivider and their agents and subtrades. The Purchaser agrees that this covenant may be pleaded by the Vendor as an estoppel to any action or opposition by the Purchaser.
- (g) The Purchaser covenants and agrees that he shall pay to the Vendor for all extras, upgrades or changes ordered by the Purchaser in accordance with the terms of any documents/agreements pertaining to the purchase of said extras, upgrades or changes and the Purchaser further acknowledges and agrees that such payment is non-refundable in the event that this transaction is not completed as a result of any default hereunder of the Purchaser. Notwithstanding anything herein contained to the contrary, the Purchaser acknowledges and agrees that if, upon Closing, any of the extras, upgrades or changes ordered by the Purchaser remain incomplete in whole or in part or if the Vendor shall, in its sole discretion, determine that it will not provide extras, upgrades or changes or cannot complete the extras, upgrades or changes then they shall be refunded or credited to the Purchaser that portion of the amount paid by the Purchaser in connection with such extras, upgrades or changes allocated to those extras, upgrades or changes which remain incomplete in whole or in part as aforesaid, as determined by the Vendor. The Purchaser further acknowledges and agrees that the amount so paid to the Purchaser (or for which, in the alternative, in the Vendor's discretion, the Purchaser received credit in the Statement of Adjustments) shall be accepted by the Purchaser as full and final settlement of any claim by the Purchaser with respect to the extras, upgrades or changes which remain incomplete as aforesaid. The Purchaser further acknowledges that the Vendor's liability with respect to such incomplete extras, upgrades or changes shall be limited to the return of the amounts referred to aforesaid and, thereafter, there shall be no further liability upon the Vendor in connection with such incomplete extras, upgrades or changes and upon such payment being made or credit being given, the Vendor shall be released from any and all obligation, claims or demands whatsoever with respect to such incomplete extras, upgrades or changes. In the event the Purchaser neglects to

advise the Vendor forthwith upon request as to the Purchaser's selection of finishing specifications, or orders any extras, upgrades in interior finishings, or performs any work in or about the Dwelling which causes delay in the Vendor's construction operations, the Vendor may require the Purchaser to complete this transaction on the Closing herein set out without holdback of any part of the Purchase Price, on the Vendor's undertaking to complete any of the Vendor's outstanding work.

- (h) The Vendor is not responsible for shade difference occurring in the manufacture of items such as, but not limited to, finishing materials or products such as carpet, floor tiles, roof shingles, brick, cement board, aluminum or vinyl siding, bath tubs, water closets, sinks, stone, stucco and other such products where the product manufacturer establishes the standard for such finishes. The Vendor is also not responsible for colour variations or variations in material characteristics or features such as veining, grain or grain direction, knotting etc. in natural products or the finishes on natural products such as but not limited to marble, granite, hardwood flooring, kitchen cabinets, wood stair railings, spindles, trim, nosings, thresholds as well as stains or finishes applied to any of the aforesaid which colours may vary when finishes are applied to them. Nor shall the Vendor be responsible for shade difference in colour of components manufactured from different materials but which components are designed to be assembled into either one product or installed in conjunction with another product such as but not limited to toilet seats, toilets, bathtubs, cabinet finishes and paint and in these circumstances the product as manufactured shall be accepted by the Purchaser. Purchaser acknowledges and agrees that (i) carpeting may be seamed in certain circumstances and said seams may be visible; (ii) hardwood, laminate or other flooring materials may react to normal fluctuating humidity levels contributing to gapping or cupping, and (iii) there may be different levels of flooring which may require transition strips, nosings or thresholds, and the Purchaser agrees that in any of the forgoing eventualities are considered to be acceptable by industry standards and the Purchaser shall make no claim whatsoever against the Vendor in the event of same.
- (i) All dimensions and specifications on sales brochures and other sales aides are artists' concepts only and are approximate and subject to modification without prior notice at the sole discretion of the Vendor in compliance with the Ontario Building Code. The designation of door swings, including entrance doors and doors from any garage connected to the Dwelling and leading to the interior of the Dwelling, if any, in any schedules attached hereto or sales brochures and other sales aides are conceptual only and are subject to modification without prior notice at the sole discretion of the Vendor. The Purchaser acknowledges and agrees that attic hatches or access points may be located within any location determined by the Vendor in its sole discretion, including without limitation, within any hallway, room, closet or interior wall. The location of mechanical installations may not be as shown (or not shown, as the case may be) on sales documentation and will be located in accordance with approved plans and/or good construction practice and may result in room size or garage size reduction caused by the mechanicals being installed. The Purchaser acknowledges being advised by the Vendor that the Vendor has experienced a high rate of theft of air-conditioning units when they are installed prior to the Closing. Accordingly, the Purchaser acknowledges that if the Agreement herein calls for the Vendor to install an air-conditioning unit, the Vendor has the right to install that unit, in accordance with the Agreement, within 7 days after the Closing, weather permitting. The Purchaser shall not be entitled to any holdback on account of the Purchase Price notwithstanding that the air-conditioning unit is not installed at the Closing. Notwithstanding the foregoing, in the event that the Purchaser requires the air-conditioning unit to be installed prior to the Closing, the Purchaser shall make written request therefor, such request to be received not later than 30 days prior to the Closing by way of separate written request addressed to the Vendor's solicitor and the Purchaser acknowledges that the Purchaser shall assume all liability for the air-conditioning unit in the event that it is stolen after its installation prior to the Closing and the Vendor shall not be obliged to replace same nor shall there be any adjustment in the Purchase Price with respect thereto.
- (j) In the case of the purchase of a townhome by the Purchaser (if applicable) the Purchaser acknowledges that: the concept plans displayed in the sales office and/or in promotional brochures or media (including any websites), do not necessarily represent any specific block to be built by the Vendor; the Vendor has not artistically rendered all block scenarios and combinations of model types

available; final block plans will feature similar but not necessarily identical architectural details; variances from block to block will reflect, amongst other things, the number of units in respective blocks, final siting combinations of actual model types within respective blocks, roof designs that evolve in conjunction with the combination of various model types constituting specific blocks, unit stepping due to grading within respective blocks and the location of required partywalls and firewalls (if applicable) per respective block plan.

- (k) Where any portion of any fence is within 30 centimetres of the Property line, such fence shall be deemed not to be an encroachment at that point (the "**Permitted Encroachment**") and the Purchaser agrees to accept title to the Property and to complete the sale contemplated herein, without abatement of the Purchase Price. If any portion of any fence is not deemed to be a Permitted Encroachment (an "**Unpermitted Encroachment**") then the Purchaser shall complete the transaction herein either upon the Vendor's undertaking to take all reasonable lawful steps to remove the Unpermitted Encroachment; or, at the Vendor's sole option, upon an abatement in the Purchase Price, such abatement to be calculated by multiplying the Purchase Price by the ratio of the area of the Unpermitted Encroachment to the total area of the Property. Despite anything hereinbefore set out, the whole of any fence erected by any governmental authority, utility or railway or pursuant to any Subdivision, Site Plan or Development Agreement shall be deemed to be a Permitted Encroachment and the Purchaser agrees to maintain all such fencing to the satisfaction of the appropriate authority.
- (l) Where a dwelling type has a sunken foyer, landing or hallway leading to a front porch (at the front door entry), the ceiling area below the porch slab and other relevant areas will be reduced and this height may vary up or down, caused by the number of risers from the main floor to the dropped landing, as per applicable plan. Notwithstanding that the sales aids, such as brochure plans or sketches may refer to these areas as cold rooms, storage areas, cantinas or fruit cellars, they shall be treated and referred to as crawl space, notwithstanding that the Purchaser may be desirous of using this space for other purposes. The Purchaser hereby acknowledges these facts and accepts the Dwelling as built and will make no claims whatsoever relevant thereto. Furthermore, any reference to ceiling heights in this Agreement, the schedules attached hereto or in sales material, if any, shall mean the approximate height and such heights will be reduced by sound attenuation features, finishes of floors and ceilings and installations such as bulkheads, etc.. Ceiling and walls may be modified to accommodate mechanical systems.
- (m) In the event that the Dwelling includes stucco to be installed on the exterior of the Dwelling, the Purchaser acknowledges that there may be a variance or unevenness of up to one-half of an inch (1/2") in a ten foot (10') span, which the Purchaser agrees to accept, without objection or claim for compensation. In the event that the Dwelling includes stucco to be installed on the exterior of the Dwelling, the Purchaser acknowledges that there may be variance in the colour of such stucco and that the Vendor shall choose, in its sole, absolute and unfettered discretion, the texture of such stucco, and the Purchaser agrees to accept same without objection or claim for compensation.
- (n) The Purchaser acknowledges and agrees that drainage holes may be required, as determined and where required by the Vendor, on all or any of the exterior finishing and/or cladding of the Dwelling.
- (o) The Vendor shall provide evidence that occupancy of the Dwelling is permitted in accordance with and only to the extent required by the Tarion Addendum.
- (p) If there is a detached garage as part of the Property, the Purchaser shall complete the within transaction notwithstanding the construction of the garage is not completed or even started.
- (q) The Purchaser covenants and agrees that he will exhaust all the remedies available to him with Tarion with respect to any claim relating to defects in workmanship or materials or with respect to any other claim arising under the Warranty Act or in respect of the Tarion Addendum, prior to pursuing any other means of redress with regard to such claims. In the event the Purchaser does not comply with the provisions of this subsection, or takes any unwarranted or unreasonable actions with respect to such claims, the Purchaser shall be held liable for any damages or costs (legal or otherwise) sustained by the Vendor as a

result thereof.

- (r) The Purchaser acknowledges that due to the nature and extent of construction work which will be required to be undertaken by the Vendor on the Property in connection with the excavation, erection, and construction of the Dwelling, one or more trees may be removed from the Property and others may or will suffer damage or destruction both before and after Closing, as a result of the removal, interference or the destruction of roots, contact with trunks by equipment or machinery or otherwise. The Purchaser hereby acknowledges, covenants, and agrees that the Vendor shall not be responsible or liable in any manner, whatsoever, for any loss or destruction to trees or for any loss or destruction to the property of the Purchaser howsoever caused nor shall the Vendor be responsible or liable for the removal of any trees or parts thereof, from the Property, at any time, whatsoever. It is understood and agreed that the Vendor has made no representation, warranty, guarantee, collateral agreement or condition whatsoever, regarding the preservation, removal, condition or health of trees on the Property.

- (t) The Purchaser covenants and agrees that he is a "home buyer" within the meaning of the *Construction Lien Act* of Ontario, as may be amended, and will not claim any lien holdback on the Closing Date.
- (u) The Purchaser covenants and agrees to pay to the Vendor all amounts to correct and remedy all damage caused by the Purchaser or those for whom he is in law responsible to any services installed within the Subdivision, which service shall, without limitation, include survey stakes, landscaping, trees, curbs, curb cuts, streets, roads, sidewalks, street signs, street lighting, sanitary and storm sewers and any underground services installed by or on behalf of any public or private utilities. If the Vendor pays for such amounts at first instance, the amounts so paid by the Vendor shall form and constitute a Vendor's lien against the Property which Vendor's lien may be enforced in the same manner as a mortgage/charge thereon.
- (v) The Purchaser hereby agrees to indemnify and save harmless the Vendor, its servants and agents, successors and assigns, from all actions, causes of action, claims and demands whatsoever for, upon or by reason of any damage, loss or injury to a person or property of the Purchaser or any of his friends, relatives, workmen, agents or anyone else for whom at law the Purchaser is responsible who have; entered onto the Property or any part of the Subdivision whether with or without the authorization, express or implied, of the Vendor.
- (w) Notwithstanding anything contained in this Agreement it is understood and agreed by the parties hereto that in the event that occupancy of the Dwelling cannot be granted on or before the Closing Date for any reason, or in the event that the construction of the Dwelling cannot be completed on or before the Closing Date for any reason, or in the event the Vendor cannot complete the herein transaction on the Closing Date other than as a result of the Purchaser's default, the Vendor shall not be responsible or liable to the Purchaser in any way for any damages or costs whatsoever including without limitation loss of bargain, relocation costs, loss of income, professional fees and disbursements and any amount paid to third parties on account of decoration, construction or fixturing costs, other than those delayed closing sums set out in the Taron Addendum.
- (x) The Purchaser shall place his own insurance on the Property for Closing.

The Purchaser acknowledges that (i) the Equipment may be non-owned (ii) the terms governing the lease/rental for the Equipment will be provided by the Vendor prior to closing and the Purchaser may be required to execute a lease/rental document containing the terms prior to closing; and (iii) the terms of the lease/rental may contain a buy-out option allowing the Purchaser to purchase the Equipment if desired. If any provider of the Equipment no longer rents the Equipment and if arrangements are not made with another supplier for the installation of the Equipment on a rental basis, then notwithstanding anything to the contrary in this Agreement, the

Purchaser shall pay, as an adjustment on closing, the cost of the Equipment, such cost to be determined by the Vendor. The Purchaser acknowledges and agrees that it shall only utilize the hot water heater/tank supplied by the Vendor within and upon the Property and the Purchaser is prohibited from installing or utilizing any other hot water heater/tank, without the Vendor's prior written consent.

5. COMPLETION AND ONTARIO NEW HOME WARRANTIES INSPECTION

On or before the PDI, the Vendor shall provide the Purchaser with a Homeowner Information Package that is available from the Tarion Warranty Corporation ("**Tarion**"). The Vendor will complete all matters set out in the said Certificate as soon as reasonably practicable. Further, the Vendor agrees to rectify any defects in materials or workmanship covered by the Warranty Act's warranty issued to the Purchaser as soon as reasonably practicable after the same will have been called to the Vendor's attention by notice in writing and in accordance with the guidelines of Tarion. Except for the aforementioned inspection with the Vendor's representative, the Purchaser shall not enter (and shall not direct or cause anyone to enter) the Property and the Dwelling until the Purchaser has completed his obligations under this Agreement on the Closing Date. The Purchaser shall provide the Vendor with written notice, at least 5 days prior to the date appointed by the Vendor for the PDI, irrevocably appointing the Purchaser's designate, if any. The Purchaser acknowledges that: a Homeowner Information Package is available from Tarion Warranty Corporation (including from the Tarion website); the Vendor has/will deliver to the undersigned a Homeowner Information Package as provided by Tarion Warranty Corporation on or before the date of the PDI; that the Vendor currently intends to provide such copy by way of email containing the Homeowner Information Package or a URL link to the Homeowner Information Package; and the Purchaser shall execute any confirmation or statements confirming receipt of the Homeowner Information Package in accordance with Tarion's requirements.
- (b) Failure by the Purchaser to attend at the appointed time for the inspection and to complete the Certificate shall be deemed to be a default by the Purchaser under this Agreement. The parties further agree that upon the Vendor delivering to the Purchaser a conveyance in accordance with the terms of this Agreement, the monies held in trust shall be released to the Vendor and any further adjustments that may be required shall be made at the time of the delivery of the conveyance. The Vendor's solicitor shall undertake to the Purchaser not to release such monies paid pursuant to this Section 6 to the Vendor until the Vendor has delivered a conveyance to the Purchaser in accordance with the terms of this Agreement. The Purchaser agrees to accept title to the Property subject to any easements, rights of way, licenses, agreements with the local municipality, regional or county municipality or other tier of municipal government having jurisdiction with respect to future services to be installed, or any other purpose.

- (c) In the event the Property abuts land owned by any government, utility, or railway such authority may require fences, entrance gates or other structures to be located within the Property line and the Purchaser agrees to accept same and agrees to maintain same, if required by such authority.
- (d) The Purchaser acknowledges that title may be conveyed directly from the Subdivider of the lands, and not the Vendor, and the Purchaser hereby releases the Subdivider from all obligation, liability and responsibility whatsoever arising out of or associated with the construction of the Dwelling and installation of all other improvements within the lot boundaries, and the Purchaser agrees to execute and deliver on Closing a separate acknowledgment and release in favour of the Subdivider to this effect.
- (e) In the event any mortgages are outstanding on Closing the discharge of which is the Vendor's obligation, the Purchaser agrees to accept the Vendor's solicitor's undertaking to obtain and register the discharge of the same within a reasonable period of time after Closing in full satisfaction of the Vendor's obligation in that regard.
- (f) The Purchaser agrees to provide the name, address and telephone number of his solicitor to the Vendor or its solicitor in writing no later than 60 days prior to the Closing. - (h) The Purchaser agrees to accept title to the Property subject to any Certificates of Property Use, Notice of Requirement or other notices or directives of any governmental authority, including, without limitation the Ministry of the Environment, provided that the Vendor or the Property, as the case may be, is in compliance thereof.

The Purchaser agrees that the Vendor shall not be obligated on Closing or thereafter to obtain releases of such subdivision or other development agreements provided that the same have been complied with as of the Closing and the Purchaser shall satisfy himself as to compliance.
- (b) The Purchaser acknowledges receipt of notice from the Vendor that the Vendor and or the Subdivider may apply for official plan amendment(s), rezoning application(s), severance application(s), minor variance application(s) and/or site

plan application(s), or any other applications ancillary thereto relating to the development of the Property, or any neighboring or adjacent lands, whether within or outside of the bounds of the proposed Plan of Subdivision, and the Purchaser as well as the Purchaser's successors and assigns, shall consent to any such application(s) and agree that this paragraph may be pleaded as a bar to any objections by the Purchaser (or its successors and assigns) to such applications.

- (c) The Purchaser agrees that the relevant governing authorities and/or the Subdivision Agreement may require the Vendor to provide the Purchaser with certain notices ("**Notices**"), including, without limitation, notices regarding land usage, landscaping, maintenance of fencing, school transportation, noise and vibration warning resulting from existing or proposed highways and public transportation systems or corridors, railways, garbage, buffers, school pick-up, transit routes, bus-stops and/or shelter locations, in some instances the absence of door-to-door mail delivery, the location of "super mailboxes", and in general, any other matter that may be deemed by the Municipality to inhibit the enjoyment by the Purchaser of this Property. Such Notices, when available, may be delivered to the Purchaser in accordance with the notice provisions herein and delivery in accordance with any methods described in said notice provisions shall be deemed to constitute appropriate notification of the Purchaser. The Purchaser agrees to be bound by the contents of any such Notices and covenants to execute forthwith upon request, an acknowledgment containing such Notices if and when requested to do so by the Vendor. In the event the Subdivision Agreement or other development, site plan or similar agreement is not registered as of the date of acceptance of this Agreement, and therefore the Notices are not yet available, or if after they are available, they are amended by the Municipality, or are inadvertently omitted or misquoted by the Vendor and if the Municipality requires the Purchaser to receive a copy of the Notices, then a copy of the Notices as revised as necessary, shall be mailed to the Purchaser's address as provided for in this Agreement or to the Purchaser's solicitor and such mailing shall be deemed to constitute appropriate notification. Without limiting the generality of the foregoing, to the extent that any Notices are provided to the Purchaser by the Vendor after this Agreement has been made, such Notices shall be deemed to have been included in this Agreement at the time that this Agreement has been made. The Purchaser acknowledges and agrees that any Notices and warning clauses may be registered on title to the Property, at the sole and absolute discretion of the Vendor. Purchasers/tenants are advised that despite the inclusion of noise control features in this development area and within dwellings, noise levels from increasing road traffic from nearby roadways may be of concern occasionally interfering with some activities of the dwelling occupants.

9. **AFTER CLOSING**

- (a) In the event that after taking possession of the Dwelling, the Purchaser shall complete and/or install any additions and/or improvements such as, but not limited to, porches, patios, plantings, paved driveways, pools or hot tubs, curbs or fences which are located within 6 feet of an external wall or within any area which interfere with the Vendor or Subdivider installing any required services, the Purchaser will remove such addition and/or improvements within 5 business days of written request from the Vendor and prior to the Vendor taking any corrective actions which it is required to take.

The Purchaser agrees that he shall be solely responsible for watering and general maintenance of sod, trees, fencing, retaining walls and walkways from the Closing Date or from the date that sod is laid, whichever shall be the later, and the Vendor shall have no obligation in that regard. In the event the Vendor is, for any reason, required to replace laid sod, the

Vendor shall not be obligated to do so until payment has been made therefor by the Purchaser and if so replaced, the Purchaser agrees to reimburse the Vendor for the costs and expenses of same as determined by the Vendor, which costs and expenses may be deducted from the Security Deposit at the Vendor's sole, absolute and unfettered discretion. Further, the Purchaser acknowledges that the order of closing of the Property and/or the order of completion or closing of other lots sold by the Vendor is not indicative of the order of sodding of the Property and said other lots. If the Vendor is required by the Subdivider, developer or any governmental authority to replace any laid sod or trees, etc. as a result of the Purchaser's default under this subsection, the Purchaser shall promptly pay the Vendor (or same and the Vendor shall not be obliged to do so until payment has been made therefore in full to the Vendor by the Purchaser. The Purchaser hereby releases the Vendor from any liability whatsoever in respect of water damage to basement improvements and chattels stored in basement resulting from water seepage or leakage, including any consequential damages arising therefrom.
- (e) The Purchaser acknowledges that the Vendor has a master key for the subdivision and in the event that the Purchaser wishes to change any locks, he may do so, at his own expense, any time after Closing.
- (f) If settlement occurs due to soil disturbances around the Dwelling, the walkways, driveways and sodded areas, all minor settlements shall be the responsibility of the Purchaser, and the Vendor will rectify any major settlement once only, and such work, unless of an emergency nature, will be completed when reasonably feasible and according to the Vendor's work program and availability of materials and tradesmen's services. The Vendor is not responsible for any damage to the Dwelling which the Vendor considers of a minor nature by reason of such settlement.
- (g) No request by the Purchaser for homeowner service will be processed by the Vendor unless such request is in writing through the Tarion Warranty Program's submission requirements, other than emergency service, such as no heat, water or electricity. In the event the Vendor is requested by the Purchaser to perform a homeowner service call for repairs relating to construction or work performed by the Vendor and the Vendor determines in its sole discretion that such repair is required due to any negligent act or omission either through the neglect or omission of the Purchaser, the Purchaser shall pay to the Vendor the sum of \$350.00 per homeowner service call, plus the cost of all materials utilized by the Vendor in making such repair, plus Applicable Taxes thereon.
- (h) The Purchaser agrees that after Closing, if required by the Municipality or any public or private utility such as the local electric authority, gas company, telecommunication or television system provider he will grant an easement for the installation and maintenance of sewers, water mains, lines or any other similar installations.
- (i) The Purchaser agrees that he will not, for a period of at least two (2) years from the Closing Date or assumption of the Subdivision by the Municipality, whichever is the later, plant any trees, shrubs, vines, hedges or other landscaping on the Property without the express written consent of the Vendor which consent may be unreasonably or arbitrarily withheld. The Vendor shall have the right during such period to enter on the Property, without notice to the Purchaser, and to remove, without any liability whatsoever, any such trees, shrubs, vines, hedges or other landscaping planted on the Property in contravention of this Section without such act being a trespass.
- (j) If the Purchaser sells before or after the Closing Date and before assumption of the subdivision by the Municipality, the Purchaser shall forfeit any security monies or deposits being held by the Vendor or the Vendor's solicitor. If the Purchaser herein sells the Property to anyone before assumption of the Subdivision by the Municipality, the Purchaser must attach this Agreement (and all schedules hereto)

making the new Purchaser responsible to all the terms and provisions of this Agreement.

- (k) Any fencing, walkway, steps, retaining walls or noise barriers or other items of a similar nature erected by the Vendor or the Municipality, on, adjacent to or abutting the Property shall be maintained by the Purchaser after the Closing Date without any modification or alteration whatsoever and in good order and tidy appearance and any landscaping provided by the Vendor in connection therewith shall be maintained by the Purchaser in good order and condition.
- (l) Appliances purchased by the Purchaser from the Vendor or if included in the Purchase Price do not include installation charges which may be charged by the Vendor on the Closing Date as an adjustment in the Vendor's sole discretion.
- (m) The Purchaser agrees that until all the lots or blocks in the Subdivision are sold, the Vendor shall have the exclusive rights to maintain model homes, signs, sales staff and marketing material(s) in the Subdivision and to show prospective purchasers through the Subdivision and through any unsold homes and the Purchaser shall not display any "for sale" or "for rent" sign on the Property until all of the lots or blocks in the Subdivision have been sold. In the event that the Purchaser displays any such sign on the Property prior to the sale of all such lots or blocks the Vendor shall have the absolute right to enter on the Property and remove such sign without such act being an act trespass and the Vendor shall not be liable to the Purchaser for such removal, either in contract, tort or otherwise.

10. **BREACH OF CONTRACT**

- (a) Any breach by the Purchaser of any of the provisions of this Agreement shall entitle the Vendor, in addition to any rights or remedies that the Vendor may have in law or otherwise, to give notice to the Purchaser declaring this Agreement terminated, whereupon all deposit monies paid hereunder, and any monies paid for extras, shall be forfeited to the Vendor as liquidated damages and not as a penalty.
- (b) The Purchaser represents to the Vendor upon which representation the Vendor has relied in accepting the Purchaser's offer that he is purchasing the property for his own personal use and not for short term speculative purposes. Prior to Closing the Purchaser covenants and agrees not to post any signs for sale or lease, or list the Property for sale or lease, or advise others that the Property is or may be available for sale or lease, offer for sale or lease, or sell or lease, the Property or to enter into any agreement, conditional or otherwise, to sell the Property, or any interest therein, nor to assign this Agreement or any interest herein, or the benefit thereof, nor to mortgage, deal with or in any way encumber the premises. The Purchaser will not any time prior to completing this transaction, register this Agreement, or any notice thereof, whether by Caution or otherwise, or register a notice of Purchaser's lien against the Property. The Purchaser shall not be permitted to direct title to any person without the prior written consent of the Vendor which consent may be unreasonably or arbitrarily withheld. Any breach of the foregoing covenants shall constitute a breach of said covenants which shall, at the Vendor's sole option, entitle the Vendor to terminate this Agreement and the Vendor shall be entitled to retain the deposit monies as liquidated damages and not as penalty in addition to and without prejudice to any other remedy available to the Vendor arising out of such default and the Purchaser shall have no further right to or interest in the Property.

11. **UNLAWFUL WORKS**

- (a) In the event that the Purchaser shall without the consent in writing of the Vendor, enter upon the Property and carry out changes or additions to the Dwelling (the "Unlawful Works") being constructed by the Vendor, the Purchaser will forthwith pay to the Vendor the amount incurred by it in order to correct any damages caused by the installation or existence of the Unlawful Works including, without limiting the generality of the foregoing, time lost by the resulting delays and interest on monies invested, and at the Vendor's option it may declare this Agreement terminated. In addition to the foregoing, if the Unlawful Works shall be determined by any inspector having jurisdiction in that regard as not complying with the statutes, by-laws or regulations applying thereto, the Purchaser shall forthwith carry out any required work to remedy any such non-compliance and failing which, the Vendor, at its option may carry out such work at the expense of the Purchaser which he shall pay to the Vendor forthwith upon written request for payment for

same and/or at the option of the Vendor, it may declare this Agreement terminated. The Purchaser agrees that anything constructed by the Vendor which is not accessible due to the Unlawful Works shall not be covered under the Warranty Act's warranties. The Purchaser shall not enter upon the Property at any time without the consent in writing of the Vendor or accompanied by a representative of the Vendor. Failure to comply with the foregoing shall constitute a trespass by the Purchaser on the Property and will entitle the Vendor to bring criminal or civil proceedings for such trespass against the Purchaser. In respect of any entry with the Vendor's prior written consent, the Purchaser agrees to comply with all regulations under the Occupational Health & Safety Act, including the wearing of head and foot protection and such other safety apparel as designated by the Vendor. The Purchaser further agrees to indemnify the Vendor against any damages, losses and fines incurred as a result of non-compliance with this provision by the Purchaser.

- (b) In the event that the Vendor shall choose the option as set forth above to declare the Agreement terminated, it shall be entitled to retain the Purchaser's deposit paid and the value of the Unlawful Works. The parties agree that the damages which may be suffered by the Vendor as a result of the Unlawful Works cannot be assessed monetarily and the retention of the deposit and Unlawful Works, shall be deemed to be liquidated damages and not a penalty. **THE PURCHASER ACKNOWLEDGES THAT THE UNLAWFUL WORKS SHALL NOT BE COVERED UNDER THE WARRANTY ACT'S WARRANTIES.**
- (c) The Purchaser covenants and agrees that it will not be entitled nor permitted to enter upon the Property prior to the Closing to supply any material and/or to perform any work or labour to or on the Dwelling or Property respectively. The Purchaser further covenants and agrees that the Vendor will not contract for the supply and installation of extras to the Dwelling to be constructed other than by way of written contract on a specific form supplied by the Vendor for that purpose.

12. CONTRACT

The deposit monies are expressly deemed to be deposit monies only, and not partial payments. Default in payment of any amount payable pursuant to this Agreement on the date or within the time specified, shall constitute substantial default hereunder, and the Vendor shall have the right to terminate this Agreement and forfeit all deposit monies in full as liquidated damages and not as a penalty. Without prejudice to the Vendor's rights as to forfeiture of deposit monies as aforesaid, and in addition thereto, the Vendor shall have the right to recover from the Purchaser any monies owing to the Vendor pursuant to this Agreement and not paid to the Vendor in accordance with the terms hereof and/or all additional costs, losses and damages arising out of default on the part of the Purchaser pursuant to any provision contained in this Agreement, including interest thereon from the date of demand for payment at the rate of 24% per annum, calculated daily, not in advance, until paid. In the event this Agreement, in future, is amended in order to accelerate the Closing of the transaction or to change or alter the construction specifications of the Dwelling by giving the Purchaser a credit or reduction against the Purchase Price and the Purchaser fails to complete the transaction, all damages shall be assessed as if such amendment was not entered into. In the event any one or more of the provisions of this Agreement or any portion or portions thereof are invalid or unenforceable, the same shall be deemed to be deleted herefrom and shall not be deemed to affect the enforceability or validity of the balance of this Agreement. The Purchaser, if required by the Vendor, shall execute and deliver on Closing one or more covenants incorporating the terms hereof. There is no representation, warranty, collateral Agreement or other provision affecting this Agreement or the Property, or supported hereby, except as set forth herein in writing. In the event there is a conflict between any term(s) in this Agreement, the Vendor shall determine which conflicting term(s) prevail(s). The Purchaser acknowledges and agrees that the covenants and obligations of the Vendor contained in this Agreement shall be those of the Vendor only and should the Vendor represent or act as trustee or agent on behalf of a beneficiary or principal (whether disclosed or undisclosed) in executing this Agreement, such beneficiary or principal shall have no liability under this Agreement, such liability being restricted to the Vendor only. All buildings and equipment shall be and remain at the Vendor's risk until Closing. In the event of any damage to the Dwelling, however caused, the Vendor shall be entitled to the insurance proceeds payable under any insurance policy coverage on the Dwelling. Deed to be prepared at Vendor's expense, and shall be executed by the Purchaser if required by the Vendor and shall be registered forthwith on Closing at the Purchaser's expense. The Purchaser shall pay the Vendor's and/or solicitor's fees in the amount of \$500.00 (plus Applicable Taxes and disbursements) for each letter or other form of notice sent to the Purchaser or the Purchaser's solicitor relating to any default by the Purchaser.

The Purchaser agrees that any person who takes title to the Property as a beneficiary and/or pursuant to a Direction or Authorization signed by the Purchaser shall be deemed for all purposes to have signed this Agreement through the agency of the Purchaser, or to be the partner of the Purchaser, and to be bound by the Agreement. Notwithstanding any other term in this Agreement, the Vendor may demand that any person referred to as a beneficiary and/or in a Direction or Authorization as a person to be named as a Transferee shall sign an Acknowledgment on the Vendor's form agreeing to be bound by this Agreement. The completion of this Agreement on the Closing Date without an Acknowledgment is not a waiver of the Vendor's right to demand the Acknowledgment. It is an act of default hereunder by the original Purchaser and a Transferee to refuse to provide an Acknowledgment, and the Vendor may deliver on Closing a Transfer excluding such a Transferee. If the Purchaser does not take title to the Property on Closing Date, the Purchaser is nevertheless still jointly and severally bound with the Transferee for all of the obligations of the Purchaser after closing as if he or she had received title.

It is agreed herein that any sum payable or due prior to Closing by the Purchaser and for which the Vendor is prepared in its sole and unfettered discretion to defer for payment, may be deferred until the Closing Date or such other date as the Vendor may accept in its sole and unfettered discretion.

13. COLOUR AND MATERIAL SELECTION

- (a) Wherever in this Agreement the Purchaser has the right to select colours or materials, he shall do so within the time period specified in the notice delivered by the Vendor to the Purchaser (and no later than 10 days after the delivery of said notice) and the Purchaser shall make his selection of such colours and/or materials, whatever the case may be, from the Vendor's samples at the Vendor's sales office for the subject project (or such other location that may apply from time to time) and list same on the Vendor's colour selection form. The Purchaser acknowledges that the Vendor's scheduling requirements are paramount, and that the Purchaser will be required to attend at times and locations selected by the Vendor as specified on written notice and a failure to attend for the appointment on the date and time fixed by the written notice is an act of default hereunder. The Purchaser acknowledges that any delay in making selections and/or reselections may prejudice the Vendor's construction schedule and/or delay the closing date. Except for direct orders from suppliers, all selections must be made on the Vendor's form of agreement, and will be made under the Vendor's usual terms and conditions, which govern payment, selections, substitutions, completion, credits, refunds, and limitations on selections, which terms and conditions are binding on the Purchaser.
- (b) In the event that the Purchaser shall desire to select colours or materials from other than the Vendor's samples, the Purchaser must negotiate such colours or materials directly with the Vendor or the Vendor's subtrade or supplier as directed by the Vendor and attend to payment of any additional cost as a result of such choice to the Vendor or the Vendor's subtrade or supplier directly, as directed by the Vendor.
- (c) In the event that the Purchaser shall have made a choice of colours and/or materials from either the Vendor's samples or otherwise as aforesaid and because of lack of supply or other reasons the installation of such colour choice and material cannot be completed in accordance with the Vendor's construction schedule, the Purchaser shall choose alternate colours and materials within 3 days of notification by the Vendor and in the event the Purchaser fails to make an alternate selection as aforesaid, the Vendor shall have the option of choosing the colours and materials and the Purchaser shall be obligated to accept same.
- (d) In the event that by the Closing Date the installation of the selected colours and upgraded materials to be performed by the Vendor or its subtrade(s) has not been completed, and as a result thereof the Dwelling has not been completed, then the Purchaser shall, notwithstanding such incomplete work, complete the transaction on the Closing Date and shall pay the full amount required to be paid on Closing in accordance with this Agreement, notwithstanding that an occupancy permit may not be available as a result thereof.
- (e) In the event that the Purchaser shall not have made his selection within the time period described at subsection 13(a) or an extended date acceptable to the Vendor, then the Vendor shall have the option of choosing the colours and materials for and on behalf of the Purchaser and the Purchaser agrees to accept

same.

- (f) In the event that the Purchaser has installed or has requested the Vendor to install a different floor covering than that which the Vendor would normally install in the dwelling, then the Purchaser agrees that if any defects should come to light for which the Vendor is normally responsible and repairs to which require the removal of the said floor covering, the Vendor will not be responsible to effect such repairs. For purposes of this Agreement "floor covering" shall mean any type of finished floor covering which is normally placed on the sub-floor and without limiting the generality of the foregoing, shall include tile, hardwood, marble, terrazzo and carpet.
- (g) Where omissions occur on the original colour selection sheet, the Purchaser acknowledges that selection by the Vendor will be final.
- (h) Upgrades listed on a standard colour chart will not be deemed to be part of the Agreement.
- (i) The Purchaser agrees that if after having made the original colour selections the Purchaser does make a change erroneously or otherwise, he will be deemed responsible for all errors resulting from any double selections.
- (j) The Purchaser further agrees that in the event that the Vendor has preselected colours prior to the purchase herein of the Property, the prescribed colours shall be final notwithstanding that the Purchaser may have completed a colour selection/chart.
- (k) In the event that any of the terms and provisions stated on a contract, addendum or schedule requesting upgrades or extras (the "Purchaser's Extras Contract") are in conflict or contradiction of any terms or provisions stated in this Agreement, it is hereby agreed that the terms and provisions stated on the Purchaser's Extras Contract shall take precedence over the terms and provisions of this Agreement provided such provisions do not conflict with the provisions of the Tarion Addendum and Statement of Critical Dates annexed hereto, in which case the provisions of the Tarion Addendum and Statement of Critical Dates annexed hereto shall be read to form part of the Purchaser's Extras Contract in the place and stead of the conflicting or contradictory provisions thereof. without limiting the foregoing, the vendor and purchaser agree that the provisions of the Tarion Addendum and Statement of Critical Dates annexed hereto shall prevail over any provision contained in this agreement, in any amendment to this agreement or in any other document between the vendor and purchaser in relation hereto that derogates from, conflicts with or is inconsistent with the provisions of the Tarion Addendum and Statement of Critical Dates annexed hereto.

14. MODEL HOMES

- (a) The Purchaser acknowledges that he has purchased the Dwelling on the basis of plans appended to this Agreement and not from a model, vignette or sales office samples. The Purchaser acknowledges that the model homes, if any, may have items installed for decor purposes, such as, but not limited to, upgraded flooring materials, ceramic tile, hardwood, carpet, paint, kitchen cabinets, countertops, lighting and fixtures, driveways, walkways, railings and pickets, skylights, entry doors, interior doors, paneling, wallpaper, window treatment, drapes, curtains, plumbing supplies, intercom systems, alarm systems, appliances, landscaping, underground sprinkler systems, underground lighting, decks and finished basements. The Purchaser acknowledges and agrees that these decor items will not be included in the Purchase Price and that the contract will consist of only those items listed on Schedule "A".
- (b) Notwithstanding anything herein written, if at the time that this Agreement is executed, the dwelling constructed on the Property has already been substantially completed, the Purchaser shall purchase the Property in an "as built" condition rather than in accordance with any other representations herein contained.
- (c) Furthermore, in the event that the Dwelling has been used as a model or show home, the Purchaser acknowledges that the subject premises has been used extensively as a "Model" of "Show" home, and as such, has been subjected to the normal wear and tear associated with that purpose. Unless otherwise specifically agreed in writing, no refinishing shall be done by the Vendor on the subject

premises and the purchaser agrees to accept the dwelling on closing on an "as-is" basis. For the purposes of clarity only, and without restricting the generality of the foregoing, the Purchaser hereby waives any claim in respect of scratched floors, counters or plumbing fixtures; or, sun-faded paint and stain colours.

15. HST CLAUSE

The Purchaser and Vendor agree that the harmonized sales tax (the "HST") applies to this transaction and the Purchase Price includes the HST, net of the federal and Ontario new housing rebates or the like (collectively the "Rebate"). The Purchaser shall assign in a form required by the Vendor and/or by any of the Government of Canada, Government of Ontario and/or any other governmental and/or tax authority (collectively, the "Government") to the Vendor all of its right, title and interest in the Rebate to which the Purchaser is entitled. In connection with such assignment, the Purchaser shall deliver to the Vendor, upon request by the Vendor, on or after the Closing Date, such application, documents and affidavits as may be required by the Vendor and/or the Government to establish the Purchaser's entitlement to the Rebate. If the Purchaser is not entitled to the Rebate for any reason whatsoever or if the Rebate is reduced or withdrawn by the Government and not replaced with an amount equivalent to the amount of the Rebate to which the Purchaser is entitled by the Government or if the Rebate is not or cannot be assigned to the Vendor or the Rebate is claimed and payment/credit of the Rebate to the Vendor is denied by the Government then, the Purchaser shall forthwith upon demand by the Vendor pay to the Vendor an amount equal to the Rebate or the amount so reduced or withdrawn and until so paid, the amount of the Rebate shall form a charge against the Property which charge shall be recoverable by the Vendor in the same manner as a mortgage in default. If the Vendor does not receive the full benefit of the Rebate for any reason whatsoever, whether or not as a result of the Purchaser's acts or omissions, the Purchaser shall indemnify and save the Vendor harmless in the amount that the Vendor would have been entitled to had such Rebate been received, together with all interest and penalties thereon, and all losses, costs, damages and liabilities which the Vendor may suffer, incur or be charged with in connection therewith, as a result of the Purchaser's failure to qualify for the Rebate, or as a result of the Purchaser having qualified initially but being subsequently disentitled to the Rebate, or as a result of the inability to assign the benefit of the Rebate to the Vendor (or the ineffectiveness of the documents purporting to assign the benefit of the Rebate to the Vendor), which indemnity shall survive the Closing Date. Notwithstanding anything herein contained to the contrary, the Vendor shall have the right to register a Vendor's Lien for the amount of the Rebate against the Property following the Closing Date to secure the Vendor's entitlement to the Rebate as herein provided. The Purchaser acknowledges and agrees that the Purchaser shall not be entitled to any refund, credit or abatement in any manner whatsoever should the HST, or any portion thereof, not apply to this transaction for any reason whatsoever. The HST that is included in the Purchase Price is based on the federal portion and the provincial portion of the HST at the rates of 5% and 8%, respectively. If either or both of the rates increase, the Purchaser shall be responsible for the increase and shall pay same as an adjustment on the Closing Date, and if either or both of the rates decrease, the Purchaser shall not be entitled to any abatement or reduction of the Purchase Price. Notwithstanding that the Purchase Price is inclusive of the HST net of the Rebate as aforesaid, the Purchaser, shall, at the Purchaser's own cost and expense, be responsible for the payment of the HST and all other taxes, value added taxes, sales taxes, use taxes or transfer taxes and any increases thereof which may be applicable (collectively the "Applicable Taxes") on all closing adjustments and amounts payable for extras, changes, upgrades, fees and charges.

If the Vendor believes, for whatever reason, that the Purchaser does not qualify for the Rebate, regardless of any documentation provided by or on behalf of the Purchaser (including any statutory declaration sworn by the Purchaser) to the contrary, and the Vendor's belief or position on this matter is communicated to the Purchaser or the Purchaser's solicitor on or before the Closing Date, then notwithstanding anything hereinbefore or hereinafter provided to the contrary, the Purchaser shall be obliged to pay to the Vendor (or to whomsoever the Vendor may in writing direct), as an adjustment on the Closing, an amount equivalent to the Rebate, in addition to the Purchase Price. In those circumstances where the Purchaser maintains that he or she is eligible for the Rebate despite the Vendor's belief to the contrary, the Purchaser shall (after payment of the amount equivalent to the Rebate as aforesaid) be fully entitled to file the rebate form directly with (and pursue the procurement of the Rebate directly from) the Canada Revenue Agency.

The Purchaser acknowledges and agrees for any matter related to HST that is applicable to this transaction, including without limiting the generality of the foregoing the Rebate, the Vendor (or any party or parties comprising the Vendor, if applicable) or any other party as may be designated by the Vendor may be a party to such of the HST documentation as may be required by the Vendor under this Agreement.

16. AGREEMENT CONDITIONAL

This Agreement and the transaction arising therefrom are conditional upon compliance with the subdivision control provisions of the *Planning Act* of Ontario (and amendments thereto) at the Vendor's expense.

17. AGREEMENT NOT TO BE REGISTERED

The Purchaser acknowledges this Agreement confers a personal right only and not any interest in the Property and that the registration against title of any notice or caution or other reference to this Agreement or his or her interest is likely to cause inconvenience and prejudice or irreparable harm to the Vendor and other purchasers of dwellings within the Subdivision. If any such registration occurs, the Vendor may terminate this Agreement forthwith and take full forfeiture of the Purchaser's deposits as liquidated damages and not as a penalty. Further, the Purchaser hereby irrevocably consents to a court order removing such registration and agrees to pay all Vendor's costs and expenses in obtaining such court order including, but not limited to, fees of its solicitors on a full indemnity basis together with any Applicable Taxes thereon. Additionally, the Purchaser hereby irrevocably nominates, constitutes and appoints the Vendor or any of its authorized signing officers to be and act as his lawful attorney in the Purchaser's name, place and stead, without liability or claim, for the purpose of removing any such registration from title.

18. TENDER

Any tender of documents or money may be made by the Vendor upon the Purchaser hereto or upon the respective solicitor, will be deemed to be good and valid if made in accordance with the provisions of paragraph herein headed "ELECTRONIC REGISTRATION". The Vendor shall not be required to register any discharge of any outstanding mortgage, charge or other encumbrance not being assumed by the Purchaser on the Closing Date, in order to validate or perfect the Vendor's tender upon the Purchaser, and need only make arrangements to discharge same in accordance with the provisions of paragraph headed "TITLE" herein in the event that the Purchaser completes this transaction. The parties agree that payment of monies must be made or tendered in such form and by such method as may be directed in writing by the Vendor, in its sole, absolute and unfettered discretion. Unless otherwise directed, in accordance with the foregoing, payment shall be made by way of the Purchaser's solicitor's certified cheque drawn on a Schedule "1" Canadian Chartered bank. The Purchaser further acknowledges and agrees that the Vendor shall not be required to provide any key(s) as part of any tender made by it and that this Agreement provides for the release of keys following the Closing.

Notwithstanding anything contained herein to the contrary, in the event the Purchaser or his solicitor advise the Vendor or its solicitors, on or before the Closing Date that the Purchaser is unable or unwilling to complete the purchase of the Property or take occupancy of same, the Vendor is relieved of any obligation to make any formal tender upon the Purchaser or his solicitor and may exercise forthwith any and all of its right and remedies provided for in this Agreement and at law

19. EXTENSION AND TERMINATION

- (a) The Purchaser acknowledges that the Closing Date as described in this Agreement may be extended in accordance with the Warranty Act and the Tarion Addendum and Statement of Critical Dates.
- (b) Forthwith upon any termination of this Agreement the Purchaser shall execute and deliver to the Vendor the form of Mutual Release and Termination Agreement that may be required by the Vendor and/or Tarion in the circumstances of such termination.
- (c) The Vendor shall have the option, in its sole, absolute and unfettered discretion, to extend the Firm Closing Date or Delayed Closing Date (as set out in the Tarion Addendum and Statement of Critical Dates hereof), as the case may be, for one business day to avoid the necessity of tender where the Purchaser is not ready to complete the transaction on either of such dates.
- (d) The Vendor shall have a one-time unilateral right, at its sole, absolute and unfettered discretion, to extend the Firm Closing Date or Delayed Closing Date (as set out in the Tarion Addendum and Statement of Critical Dates appended hereto), as the case may be, for one (1) Business Day to avoid the necessity of tender where a Purchaser is not ready to Close on the Firm Closing Date or Delayed Closing Date, as the case may be.

20. AGREEMENT NOT TO MERGE WITH TRANSFER

All of the covenants, warranties and obligations contained in this Agreement to be performed by the Purchaser shall survive the closing of this transaction and shall remain in full force and effect notwithstanding the transfer of title to the Property to the Purchaser. It is provided that in the event of a breach of any covenant, warranty or obligation contained in this Agreement to be performed by the Purchaser, the Vendor shall be entitled, at its option, to declare this Agreement terminated and to retain all amounts paid by the Purchaser without prejudice to any other rights of the Vendor arising from that breach.

21. WAIVER

No provision of this Agreement may be waived by either party except in writing. The waiver of any of the provisions hereunder shall not affect the right of either party to enforce all other provisions not so waived.

SEATON COMMUNITY

Protecting and Living With Our Shared Natural Environment

A Homeowner's Guide

Connecting with Nature

Seaton is planned and developed as a sustainable urban community that is well integrated into a thriving existing agricultural environment and an extensive, flourishing Natural Heritage System.

As a resident of Seaton, you live in a unique environment that will provide many desirable community amenity features and recreational opportunities within convenient walking and cycling distance.

At the heart of Seaton are abundant natural areas, waterways and corridors that are vital to the sustainability of native plants and wildlife within an increasingly urbanized setting. It is the relationship you have with these natural areas that will determine the community's success as it grows and matures.

This guideline provides you with information on the natural areas found within Seaton and what you can do to nurture this beautiful natural environment through your day-to-day activities.

The Natural Environment

Seaton's Natural Heritage System (NHS) is one of the largest and most ambitious habitat naturalization initiatives undertaken in the Greater Toronto Area for an emerging urban community. Located in Central Pickering and within the Duffin's Creek Watershed, the NHS extends from Pickering into Markham to the north and Toronto to the south, where it provides vital ecological links between Lake Ontario and the Oak Ridges Moraine.

From an agricultural standpoint, Seaton is also located adjacent to the Duffin's-Rouge Agricultural Preserve, which is situated between the Rouge River and West Duffin's Creek.

Natural areas, including wetlands and woodlands, and their associated buffers, as well as important cultural and archaeological heritage resources, have been protected, restored and enhanced to ensure an ecologically diverse, healthy and sustainable environment in a residential setting.

This system will take time to mature. As it does, the **Province of Ontario**, in consultation with the **City of Pickering** and **Toronto and Region Conservation Authority (TRCA)**, will help protect and manage these natural areas. As a resident, **you** have a similarly important role to play.

Maintaining the NHS

The natural processes and regeneration of the Natural Heritage System (NHS) will be supported by:

- Planting no-maintenance vegetation buffers between natural areas and private properties, using native trees, shrubs and groundcovers.
- Not mowing, pruning or spraying natural areas for weeds and insects.
- Allowing for annual and/or periodic flooding of the stream corridors and woodlands to maintain natural hydrology levels.
- Allowing for the natural loss of vegetation and regrowth of young trees and shrubs.
- Managing the urban tree canopy for losses and impacts related to invasive species like Norway Maple and Buckthorn, as well as the Emerald Ash Borer.

What You Can Do

As a homeowner, **you can help nurture these natural areas** simply by being aware of your actions and following some simple measures.

ENCROACHMENT	POTENTIAL ADVERSE EFFECTS	ALTERNATIVE ACTIONS
Dumping yard waste	Can introduce invasive and non-native plant species e.g. periwinkle & goutweed; creates a fire hazard and smothers natural vegetation.	Participate in municipal yard waste pick-up programs; leave grass clippings on the lawn, or compost for excellent fertilizer.
Mowing, pruning or removing vegetation	Disturbs natural vegetation & wildlife habitat..	Call the Province of Ontario if you are concerned about potentially hazardous vegetation.
Planting vegetation	Disturbs natural vegetation; can introduce invasive non-native species.	Participate in organized tree planting & community gardening programs.
Spraying pesticides or herbicides	Kills natural vegetation & insects; exposes wildlife and humans to hazardous chemicals.	Call the Province of Ontario if you have questions.
Dumping garbage	Disturbs natural vegetation & wildlife habitat; exp-	Dispose of waste responsibly; hire a company to collect

Landscaping your property...

There is a lot you can do on your property that will protect the environmental and recreational value of the natural area that you live next to. A more naturalized approach to the design of your yard will help achieve an attractive setting that attracts birds, butterflies and other wildlife, while improving water and air quality. Where possible, use native trees, shrubs and perennial flowers.

Select plants that will:

- Provide food for birds, animals and butterflies (e.g. berries, pollen).
- Offer protection, shade, nesting areas or homes for wildlife.
- Require little or no maintenance or watering.
- Not invade or negatively impact neighbouring yards and adjoining natural areas.

For lists of invasive plant species to avoid, visit the **Durham Region / TRCA** websites at the end of this guide.

Improving water quality...

As a homeowner, how you use household water will impact the quality of water that feeds and supports nearby streams, wetlands, woodlands and wildlife habitat. Natural areas are dependent on suitable water quality and quantity in order to thrive.

- As an alternative to mowed lawns, consider planting gardens with groundcovers that require minimal irrigation and increases the ability of rainfall to infiltrate into the ground, resulting in less runoff.
- Sweep leaves, dirt and garbage away from street drains so they won't clog the storm sewers or flow into connecting streams and ponds.
- Do not dump household cleaners, paints or other chemicals down the sink, toilet or storm sewer. They should be disposed of at a household hazardous waste depot. Refer to Durham Region Waste Disposal information (www.durham.ca/works.asp).
- Maintaining your swimming pool uses chemicals that can kill plants, fish and other small life forms. Direct pool overflow to gravel areas, lawns or swales to allow vegetation or soils to filter out the chemicals before the runoff reaches any rivers, streams or underground water supply.
- Consider using a permeable surface material like interlocking brick for your driveway and patios. These will allow water to soak into the ground and will reduce the amount of runoff to storm sewers.
- Install rain barrels to collect rainwater that can be used for watering the garden and reduce runoff.

As an alternative to mowed lawns, plant gardens and consider groundcovers and wildflowers that require minimal irrigation.

Living with wildlife...

Pickering is traversed by major stream and valley systems that provide significant natural habitat and corridors for plants and wildlife. Encounters with wildlife can be positive experiences that contribute to a pleasurable living environment. However, we all need to manage issues that could cause problems with certain wildlife species:

- Store garbage in animal-proof containers within an enclosed area on your property (e.g. shed or garage).
- While mosquitoes are a great source of food for many species of birds, they can be a nuisance during certain periods of the summer. Consider installing screened outdoor seating areas and/or use bug repellent when enjoying time outdoors.
- Do not approach or handle wild animals. They may appear docile under normal conditions, but may become aggressive when approached or handled.
- Do not 'rescue' young animals. Most often, wildlife babies are not lost or abandoned and will be retrieved by their parents.
- Avoid feeding any wild animals. Feeding birds in the winter is a common practise and can be more effective with squirrel-proof feeders.
- Ask your garden centre for tips on preventing animals from eating or destroying your garden.
- Leash household pets when outdoors.

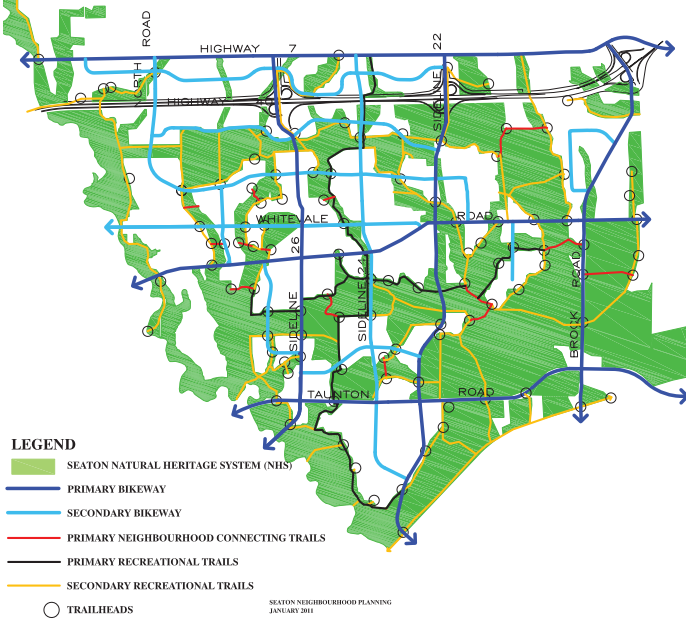

When using community trails...

Seaton's Natural Heritage System will sensitively integrate trail and cycling connections throughout the community that will link neighbourhoods, community facilities, amenities and open spaces on a local level, and considers connections to Regional trail and cycling networks outside the Seaton area.

Providing residents with safe, accessible and convenient pedestrian and cycling linkages, as well as recreational pathways within a natural setting, is fundamental to achieving the vision for Seaton as an active, walkable and healthy community.

When enjoying Seaton's network of multi-use trails, particularly those integrated with natural areas, please:

- Adhere to all City of Pickering and TRCA posted signage.
- Let natural areas grow undisturbed. Leave groundcover, dead trees or fallen branches in the forest as they provide habitat for assorted creatures and important nutrients to the soil.
- Follow designated trails only and avoid creating additional path connections.
- It is important that dogs be leashed when outside a residential yard and kept on the designated trail system.
- Always 'stoop and scoop' and dispose of pet waste properly.

Welcome to the Neighbourhood

Seaton is a unique residential community with an extensive Natural Heritage System that has been planned, designed and built around the protection and enhancement of the natural features that were present here before the development began.

The health and sustainability of the natural systems and individual features will largely depend on the relationship you, as a homeowner, have with the neighbourhood environment. The conservation of these woodlands, wetlands, watercourses and wildlife and ensuring that they remain healthy and thriving are key goals of the **Province of Ontario**, in partnership with the **Toronto and Region Conservation Authority**, **City of Pickering** and the **Seaton development team**.

Properly managing the natural and cultural resources within the Natural Heritage System is fundamental to realizing the vision of Seaton as a sustainable community. By adhering to these guidelines and environmental principles on a day to day basis, you will help nurture these natural areas, beautify your neighbourhood and bring value to your home and experience as a resident of the Seaton Community.
